## for Proclaiming the Joy of the Gospel Online

### 1

Be positive and joyful. Offer 'digital smiles' and have a sense of humour. As Pope Francis says, 'no "funeral faces" or "sourpusses"!'

### 2

Never bear false witness on the internet. Never 'like' a lie!

### 3

Fill the internet with love. Seek to include a sense of solidarity with the suffering in the world.

### 4

Avoid aggression and 'preachiness' online; try not to be judgemental. Instead, try Pope Francis's approach of 'tenderness'.

### 5

Have a broad back when criticisms and insults are made. When possible, gently correct.

### 6

Pray in the digital world! Establish sacred spaces, opportunities for stillness, reflection and meditation online.

### 7

Church has always been about 'gathering'. Create connections and build community. Share posts that have a powerful Gospel witness.

### 8

Promote online behaviours that keep everyone safe. Use the internet responsibly!

### 9

Respect your dignity and the dignity of others in all that you do online.

### 10

The internet has the power and potential to bear witness — share the Good News online!

## New Commandments:

**The Ten Commandments** United Church of God,2011-11-16 Can you find a proven source for lasting standards and values God revealed the heart of His standards the Ten Commandments long ago at Mount Sinai But what sets them apart from man made rules and guidelines What do they reveal about nature of God Himself In this booklet you ll discover the answers to these questions and more Inside this booklet The First Commandment What Is Our Greatest Priority The Second Commandment What Is God Like The Third Commandment From Profanity to Praise The Fourth Commandment Key to a Relationship With Our Creator The Fifth Commandment A Foundation for Success Sixth Commandment Life Is a Precious Gift Seventh Commandment Protect the Marital Relationship Eighth Commandment Practice Giving Rather Than Getting Ninth Commandment Truth as a Way of Life Tenth Commandment True Righteousness Comes From the Heart Does the New Covenant Abolish the Commandments View or download other free booklets at [www.ucg.org](http://www.ucg.org) [The Ten Commandments](#)

George Campbell Morgan,1901 **The Gospel of John 3:16** Randy A. Barnes,2024-10-07 The gospel is being preached however the Bible makes it clear that it is the truth of the gospel that has to be proclaimed to the world before it ends and warns of those preaching a different gospel This true gospel was being followed when Christ s followers were first called Christians after He left earth and only those adhering to this same gospel will be translated when He returns In a thoughtful word by word commentary on the most famous and most quoted verse in the Bible Randy Barnes with no denominational predisposition shows how a correct understanding of John 3 16 clearly illuminates this identical gospel when the paradigms of customs and traditions are eliminated from its interpretations Using biblical hermeneutics and contextual juxtaposition as tools Barnes shows how the Bible gives its own interpretation of not only of John 3 16 but all other verses as well Using only scriptural references Barnes demonstrates how God has used both the Jewish and Christian faiths to spread the story of the true gospel to the world by examining over two dozen doctrinal issues from the earth s creation to its recreation from the books of Genesis to Revelation The book is formatted with both a comprehensive table of contents and an exhaustive index to enable its use as reference for Bible study Supplemental information such as diagrams and illustrations are also included to assist in your reading enjoyment Christians will find excellent support for foundational principles as well as be challenged in much traditional thinking [The Chautauquan](#) ,1886 **Shepherds** Daniel C. Fredericks,2017-04-27 How does God

manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God s relationship with humanity

Shepherds recognizes that all of creation bears the eternal design emanating from God s very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation **Three Prophetic Days** William Fredrick,1900 **1, 2, and 3 John** Mavis M. Leung,2025-08-21 This commentary approaches 1 2 and 3 John as social discourses and seeks to provide insights into the use of language in these epistles within their situational contexts The method of discourse analysis employed to analyze the texts and linguistic characteristics in 1 3 John is based on the model of systemic functional linguistics proposed by Michael A K Halliday The interpretative task of this commentary is to analyze the ways in which the author draws on the vast resources of language to convey his ideas to the audience and accomplish his purposes Despite the adoption of systemic functional linguistics the use of jargon is avoided in the interpretation of the Johannine Epistles and the commentary does not demand from the reader a mastery of this discourse analysis method The insights offered will help open up the text of 1 3 John in a fresh way **333 Journal Pages** Linda Wright,2018-02-05 In memory of my husband James A Wright I have written this book of 333 journal pages For each entry I have selected a Bible verse for you to reference or study and then some of my thoughts on the topic at hand After a short prayer there is room for your thoughts and ideas I love to journal and I pray you will join me in loving it too Discover why this book is titled 333 Journal Pages in my introduction and Journal Page 1
