This workbook is full of self help therapy to finally heal yourself from a lifetime of abuse and trauma. Despite everything that you've been through, you are more than worthy and deserving of finding your true Self living your best life and reaching your greatest potential. Self actualization is your birthright. Be a stronger better you by finally gaining control over your life, ending self sabotage and inner tug of war. This book is for you. If you can be real, raw and BRUTALLY honest with yourself, you have experienced pain, trauma or abuse in your life that you feel took a piece of you with it. You sometimes struggle to love and accept yourself and others as you are. You find negative recurring themes and patterns happening in your life but don't know why or how to stop them. You have busted butt and bent over backwards for growth and manifestation but you still feel like you're at a standstill or spinning wheels. You have goals and dreams yet you feel like something is in the way blocking your progress. You find yourself constantly comparing who you are currently to who you are meant to be. What is Shadow Work? First introduced into the psychology world by Carl Jung, it is simply self knowledge and processing emotions without self judgment or criticism to reintegrate them for healing and self empowerment. Your Shadow is the unhealed, unintegrated, hidden, suppressed or denied parts of yourself. The dark aspects of your personality that were rejected to the point of being locked away into the subconscious or unconscious mind. Because you're unaware of them, they operate behind the scenes chaotically and destructively as negative emotions, actions which are unknowingly projected onto others.

Mind-Body Workbook for PTSD Stanley H. Block, Carolyn Bryant Block, 2010-12-01. It may not seem possible at first, but you can make a full recovery after trauma. Many traumatic experiences naturally heal with time and become part of your past like old scars. But when you have post traumatic stress disorder (PTSD), traumas flare up in your life again and again, causing stress and making it difficult to focus on the here and now. Months and even years may pass, but the memories don't fade and let you move on. A clinically proven therapeutic method called mind body bridging can help you to finally heal and recover from these difficult experiences. Mind Body Workbook for PTSD is a straightforward self guided mind body bridging program that you can complete in ten weeks. You'll use your body to settle your mind, develop the skills you need to recover from PTSD, and start to feel connected, confident and in charge of your life. Stop feeling detached and numb and start feeling alive again. Notice the tension in your body and experience it melting away. Reduce flashbacks, nightmares, insomnia and restlessness. Keep track of your progress as you move toward making a full recovery.
