## **Making Aging In Place Work:**

*Making Aging in Place Work* Leon A. Pastalan, 1999 Making Aging in Place Work will help social workers and family members of elderly individuals improve the quality of life for loved ones by enabling the aging to stay in their current living arrangement for as long as possible Addressing issues ranging from home modification to treatment of depression this book will help you identify the needs of the elderly in order to offer them a comfortable and more independent life You will discover how home modifications such as making all rooms wheelchair accessible and installing a bathroom on the first floor can provide important physical support which may facilitate your loved ones ability to remain in their own home Through Making Aging in Place Work you will realize what studies of naturally occurring retirement communities have discovered that living near family and friends can provide the physical and psychosocial comfort that gives the elderly courage and helps them be more independent You will also find valuable information on a wide variety of subjects related to aging at home including discovering support systems in subsidized housing so you can implement a similar program in your community examining how you can gear your service toward individual needs and what impact it may have on aging to better tailor your services to individual clients understanding what professional service providers feel is important may not be the same as what the resident considers important in terms of aging at home keeping a functional nursing care facility set up in the garage or single room with all of the medical appliances and equipment necessary to support a resident in need of care on site From Making Aging in Place Work you will discover that each situation must be individually addressed as there is no blanket solution for all aging people to remain in their own home You will find a broad spectrum of services covered in this unique book to help you provide the elderly in your life with a more comfortable and independent lifestyle

**Aging in Place** Rachel B. Cohen, 2002 *Environmental Influences on Aging in Place* Dina G. Battisto, 2004 **Aging, Place, and Health** William A. Satariano, Marlon Maus, 2017-03-03 Aging Place and Health A Global Perspective examines the interplay of biological social and environmental factors affecting the health and well being of aging individuals their families and communities With a strong interdisciplinary focus this book provides a clear coherent structure to address the diversity of topics in this increasingly vital field The second edition maintains the ecological approach using the same framework as in the first edition The ecological model serves as a template for the organization of the book The new edition provides a more global focus and introduces new topics such as the impact of technology This edition also introduces a new co editor as well as specific chapters prepared by leading experts in the field The International Journal of Aging & Human Development, 2001 **Bibliographic Index**, 1999 *Ethnography of Aging in Place in a Rural Town: Health Care Access and Relocation* Diane L.
