Making Love Work:

Making Love Work Bruce Riley,2016-09-12 There are frustrated couples everywhere looking for solutions to the struggles they're facing in getting their relationship on good footing. Too often it just slips away. The real problem is the inability to systematically build the relationship. Most relationships are rushed. Dr Bruce is able to show you just how to move from a simple acquaintance to a lasting love. Each stage has an estimated length of time to establish a good knowledge of each other and to develop the qualities to build a great love. At the end of each chapter he challenges you to qualify your growth by specific measurements. If you don't pass then you have to stay on that level by reapplying the principles taught. If you pass then go to the next level and develop higher levels of trust, happiness, and consistency. Ultimately each stage will take you to the place of being willing and able to make a life of commitment to each other by way of your demonstrated behavior and interactions. This book is a tool to fulfill your desires for the kind of love you have always wanted. **A Woman After David's Heart** Pat Simmons, David Andersen doesn't have a problem indulging in Valentine's Day per se but not on a first date. Considering it was the love fest of the year he didn't want a woman to get any ideas that a wedding ring was forthcoming before he got a chance to know her. So he has no choice but to wait until the whole Valentine's Day hoopla was over then he would make his move on a sister in his church he can't take his eyes off of. For the past two years and counting Valerie Hart hasn't been the recipient of a romantic Valentine's Day dinner invitation. To fill the void Valerie keeps herself busy with God's business hoping the Lord will send her perfect mate soon. Unfortunately with no prospects in sight it looks like that won't happen again this year. **A WOMAN AFTER DAVID'S HEART** is a Valentine romance novella that can be enjoyed with or without a box of chocolates.

Tiny Ladies in Shiny Pants Jill Soloway,2005-09-14 From the creator and director of *Transparent* and Emmy nominated writer for *Six Feet Under* comes a hilarious and unforgettable memoir. When Jill Soloway was just thirteen she and her best friend donned the tightest satin pants they could find, poufed up their hair and squeezed into Candies heels then headed to downtown Chicago in search of their one and only true loves forever. The members of whichever rock band was touring through town. Never mind that both girls still had braces, coke bottle thick glasses and had only just bought their first bras. They were fabulous, they felt beautiful, they were tiny ladies in shiny pants. Now that Jill is all grown up and a successful writer and producer she can look back on her tiny self and share her shiny tales with fondness, absurdity and obsessive compulsive attention to even the most embarrassing details. From the highly personal conflating her own loss of virginity and the Kobe Bryant accusations to the political what she has in common with Monica and Chandra to the outrageously Los Angelean why women wear huge diamonds and what they must do to get them. *Tiny Ladies in Shiny Pants* is a genre defying combination of personal essay and memoir or a hilarious unruly and unapologetic evaluation of society religion sex love and best of all Jill. **Couple by Christmas** Pat Simmons,2016-12 Holidays haven't been the same for Derek Washington since his divorce. He and his ex wife Robyn go out of their way to avoid each other. This Christmas may be
