The Making of a Bestseller Arthur T. Vanderbilt, 1999-01-01 Writer F Scott Fitzgerald s career itself is a metaphor for the vagaries of book publishing If Fitzgerald would have had his way we would today refer to The Great Gatsby as either Gold Hatted Gatsby Trimalchio in West Egg or The High Bouncing Lover A few years before Gatsby Fitzgerald had become a literary sensation at the age of 23 Helen Hooven Santmyer a contemporary of Fitzgerald s would not have a successful novel published until she was 88 and living in a nursing home In this book the author explores that mysterious place in publishing where art and commerce can either clash mesh or both Along the way a wide range of authors from the literary greats to today s commercial superstars editors agents and publishers share their thoughts insights and experiences What inspires writers John Steinbeck for example wrote every novel as if it were his last as if death were imminent Why are some books successful and appreciated while others fall into oblivion The answers are often elusive never absolute but the stories and anecdotes are always fascinating

The Making of a Terrorist Jeffrey Champlin, 2014-12-31 In The Making of a Terrorist Jeffrey Champlin examines key figures from three canonical texts from the German language literature of the late eighteenth and early nineteenth centuries Goethe s Gotz von Berlichingen Schiller s Die Rauber and Kleist s Michael Kohlhaas Champlin situates these readings within a larger theoretical and historical context exploring the mechanics aesthetics and poetics of terror while explicating the emergence of the terrorist personality in modernity In engaging and accessible prose Champlin explores the ethical dimensions of violence and interrogates an ethics of textual violence

The Making of a Yoga Master Suhus Tambe, 2012-07-23 When Suhas Tambe was initiated into the study and life of a yogi through his Indian spiritual master the Yoga Sutras of Patanjali an age old system of guidance were integral to his training Tambe is now a scholar and longterm practitioner of this esoteric wisdom He is also the first Westerner to reveal the hidden sequence of these sutras which he received from his teacher From the time of Patanjali onward 300 BCE the scrambling of the sequence of sutras was a respected tradition Such deliberate confusion was done with a view to preserving the sanctity of these precious teachings Since interpretation of any sutra must bear reference to and consistency with the previous and the following sutra proper sequence becomes a critical factor fundamental to the use of this time honored scripture The key to the real sequence of Yoga Sutra was handed down verbally by the guru only to the eligible disciple The Making of a Yoga Master reveals this original sequence which has been hidden for so long Far more than an instruction

manual this book is also about one seeker's progression. The author who began his search entrenched in materialism he was an accountant with an MBA working in IT was transformed into a devoted Yoga practitioner. This path thoroughly changed his life's priorities evolved his purpose and dissolved old habits in a way that will be inspiring to many. Yoga not just entered my life he writes but now it is my life. The clear and sequential stages of transformation through yoga are documented here as perhaps nowhere else in contemporary literature. This new sequence unfolds a practical road map for knowing and practicing the elevation of the seeker's awareness from the physical to more subtle and refined levels and designates observable milestones to determine one's progress on the path. *The Making of a Yoga Master* marries the philosophy of Yoga with clear how to instructions. *The Making of Russian Absolutism 1613-1801* Paul Dukes, 2014-01-14 Revised and expanded the second edition of this fascinating study surveys the first two centuries of Romanov rule from the foundation of the dynasty by Michael Romanov in 1613 to the accession of Alexander I in 1801. The central theme of the book is the growth of absolutism in Russia throughout these years and it traces in detail how the Russian variety of what was a contemporary European phenomenon came fully into being. **Kuick v.
