Making Decisions About Children Psychological Questions And Answers:

Making Decisions about Children Psychological Questions and Answers H. Rudolph Schaffer,1993 *Making Decisions about Children* H. Rudolph Schaffer,1998-06-08 This is a fully updated and revised edition of a book that bridges the gap between research and practice in the field of child and family psychology *Making Decisions About Children* summarises our knowledge of the sorts of issues that are of concern of those working with children including the effects of maternal employment and of divorce the implications of different family types and the comparative fitness of men and women as parents *Making Decisions about Children* H. Rudolph Schaffer,1993 *Making Decisions about Children* Steven Penrod,1990 *Making Decisions about Children* H. Rudolph Schaffer,1990 *Current Catalog* National Library of Medicine (U.S.),1993-04 **The Children's Bill of Emotional Rights** Eileen Johnson,2011-11-26 There are approximately 7 billion people in the world and 2 billion of them are children Children are the last unheard minority a group whose voice is seldom listened to and whose rights are seldom acknowledged Children are dependent on adults for their survival and wellbeing and as such are subservient beings Though the UN recently issued a Charter of the Rights of the Child an important aspect was neglected the emotional rights of the child Children all over the world are routinely bullied dismissed and treated as inferior beings Though a child can survive hunger cold and physical trauma emotional damage in childhood can cause problems that last a lifetime These problems can have huge repercussions for society when children become teenagers and young adults from bullying to suicide to mass murder In every society individuals are entitled to their human rights This book outlines the child s emotional rights The book explains why it is important to respect a child s rights and how it is possible for parents and teachers to make positive changes in the ways they respond to children Many adults struggle with preconceived notions on how to discipline and control children Other adults lack the necessary information on how a child thinks or why a child cannot respond in ways expected of him And all adults struggle with anger and frustration when dealing with emotional expressions they do not understand This book helps adults to understand why controlling and manipulating children is not the way to create a healthy community The book provides insights into a child s mind gives examples of compassionate and patient responses and guides parents and teachers towards a greater respect for the rights of the child **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1993 **Resolving Family Conflicts** Jana B. Singer,Jane C. Murphy,2008 Over the past two decades the resolution of family disputes has undergone major change This paradigm shift has reshaped the practice of family law and has fundamentally altered the way in which disputing families interact with the legal system This volume examines the contours of the changes in family conflict resolution and explores their implications for family law scholarship and practice This interdisciplinary compilation includes contributions from lawyers legal academics social scientists and mental health professionals **Childhood in Question** Stephen Hussey,Anthony Fletcher,1999 This work tackles the emotions of children themselves to explore the historical

development of childhood experience It raises issues about previous historical and sociological approaches to the question of childhood
