Weeks,2008-12-08 Nobody likes scutwork the unwanted dregs of the working day Pastors are no exception to this often dreading the endless e mails and phone calls having no heart for putting together one more bulletin or attending one more meeting all of which feels like so much distraction from the true pastoral work to which they have been called Louis Weeks challenges that paradigm and lifts up scutwork as an integral part of pastoral care and leadership How can we administer congregations in ways most likely to increase the measure of pastoral care How can our service in menial and glorious work alike build up the Body of Christ How can all the work and worship in this congregation help God s work in the world Preparation organization and other administrative duties are crucial for effective programs and mission in a congregation as elsewhere in society Preaching teaching and pastoral care three indispensable parts of congregational life all depend upon competent congregational administration It is through focused attention to the details of scutwork that pastors are able to build solid relationships within the congregation and without the trust that comes from these relationships no true pastoral care and leadership is possible All for God s Glory explores ways in which churches are engaged and can engage in practices of administration that deepen care and build a healthy congregational community **Church & Synagogue Libraries** ,2005 [Index to Jewish Periodicals](#) ,2005 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests **American Book Publishing Record** ,2004 [Christian Education Leadership](#) Judy Morris D Min,Barbara Newman M a,Doug Powell Ph D,2012 Book Description The collective work of twenty Christian leaders known for their expertise in Christian education this book is an up to date comprehensive resource on Christian education with the emphasis

on making disciples as Jesus instructed This volume addresses spiritual formation for all age groups and gives guidance on how to develop an effective church discipleship ministry The book shows church leaders how to provide for the spiritual formation of all age groups including people with special needs who are often neglected The aim of the book is to forge a strong connection between what happens on Sunday and how people live every day The goal is discipleship stressing how to develop a congregation that is on mission rather than merely a group of people who convene on Sundays The book contains a strong emphasis on missions as an integral part of church identity and activity Church leadership must provide ways for growing and encouraging disciples in being on a mission for Christ At the core of the book is Jesus command to his disciples including church leaders today Go and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I commanded you Matthew 28 19 20 NASB As we enter the third millennia of the Christian church church leaders must learn and practice ways to truly obey Jesus command This comprehensive book provides guidance and inspiration for doing that The Christian leaders who authored this resource also point to the urgent need to equip and involve lay people in all the work of the church The authors call for church leaders to involve church members in planning decision making and action rather than to promote on purpose or by default a spectator mentality Citing Ephesians 4 11 12 the authors emphasize that a church s staff members exist to equip and deploy all believers in the mission and ministry of Christ The book stresses guiding Christian leaders to move their church from a school with pews mentality to a place that heeds the biblical call to develop disciples Instead of just maintaining members church leaders must focus on making disciples in order for their congregation to be on a mission as a vibrant force for change in their community and around the world WHO NEEDS THIS BOOK University and seminary professors will find this volume a good choice for a textbook for preparing ministers for church ministry It will also be a valuable tool for pastors general staff leaders and practitioners for the various age group staff and key volunteer leaders in the local churches

*The Complete Guide for Building a Great Commission Sunday School* Bill L. *How to Manage Your Church* Edgar Walz,1987    **International Journal of Religious Education** ,1924    **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09    Maximum Discipleship in the Church Randy Wolff,2017-10-22 Do you want your church to be a disciple making church but aren t sure how to get there Are you struggling to come up with a church wide strategy for making disciples In Maximum Discipleship in the Church veteran pastor and leadership coach Dr Randy

Wolff helps church leaders understand and grow 11 essential elements that will move their churches toward greater disciple making effectiveness In the pages of this book you will discover How the culture of a church can set the stage for discipleship to thrive Why focusing on one discipleship approach is not enough to make disciples in a maximum way How you can strengthen each of the 11 essential disciple making elements and take your church to the next level in making disciples The book comes with access to the online Church Discipleship Assessment a tool that helps you measure your church s effectiveness in the 11 disciple making areas Every chapter has reflection discussion questions that will help you and your leadership team identify and apply key insights from the assessment and the book Imagine that discipleship in your church is like a grape vine Of course we want our churches to bear fruit like seeing people accept Christ and grow in him Yet the growth of the vine and its ability to produce fruit is dependent on at least four things water sunlight good soil and a supportive structure As we think about making disciples in the church it s imperative that we recognize the Holy Spirit s role He is the One who draws people to Christ and helps them grow in him He provides water and sunlight to make discipleship flourish in our churches Unless God grows the plant our efforts are pointless Even though God ultimately causes discipleship to thrive in our church He has chosen to partner with us in this great vine growing venture One of the ways that we can participate is to make sure that the soil has the right nutrients to support the growth of the vine The first five disciple making elements relate to your church s culture the heart of your church The five church cultural factors are like nutrients in the soil They provide what discipleship needs to thrive in your church Of course growing a vine requires more than just the right soil You also need to have appropriate structures like a trellis that support the vine s growth That s where the remaining six discipleship elements come in The church is God s primary way of making disciples but only if we grow certain qualities and strengthen structures that will support optimal disciple making If you are longing to see your church make more and deeper disciples of Jesus Maximum Discipleship in the Church is for you **Recording for the Blind & Dyslexic, ...
