Ecologies of Creative Music Practice Matthew Lovett, 2023-12-13 Ecologies of Creative Music Practice Mattering Music explores music as a dynamic practice embedded in contemporary ecological contexts one that both responds to and creates change within the ecologies in which it is created and consumed This highly interdisciplinary analysis includes theoretical and practical considerations from blockchain technology and digital platform commerce to artificial intelligence and the future of work to sustainability and political ecology as well as contemporary philosophical paradigms guiding its investigation through three main lenses How can music work as a conceptual tool to interrogate and respond to our changing global environment How have transformations in our digital environment affected how we produce distribute and consume music How does music relate to matters of political ecology and environmental change Within this framework music is positioned as a starting point from which to examine a range of contexts and environments offering new perspectives on contemporary technological and ecological discourse Ecologies of Creative Music Practice Mattering Music is a valuable text for advanced undergraduates postgraduates researchers and practitioners concerned with producing performing sharing and listening to music

The Oxford Handbook of Philosophy in Music Education Wayne D. Bowman, Ana Lucía Frega, 2012-05-25 In The Oxford Handbook of Philosophy in Music Education editors Wayne D Bowman and Ana Lucia Frega have drawn together a variety of philosophical perspectives from the profession s most exciting scholars from all over the world Rather than relegating philosophical inquiry to moot questions and abstract situations the contributors to this volume address everyday concerns faced by music educators everywhere Emphasizing clarity fairness rigour and utility above all The Oxford Handbook of Philosophy in Music Education will challenge music educators all over the world to make their own decisions and ultimately contribute to the conversation themselves

Musical Experience in Our Lives Jody L. Kerchner, Carlos R. Abril, 2009-01-16 As we listen and move to music sing compose and play we engage in musical experiences These happen in formal learning settings such as schools and rehearsal halls but also in informal settings such as homes and community centers Musical experiences are fundamentally social and can teach us about ourselves and our relationship to others This book explores some of the many ways we experience music and create musical meaning from infancy through older adulthood While vignettes narratives and cases form the primary focus of each chapter the contributors of the book use extant research and theory to deepen

understanding of a particular phenomenon idea or experience Chapters are written by leading experts who examine music teaching and learning They employ various qualitative research methodologies including case study narrative inquiry oral history and ethnography yet their contributions are readable engaging and refreshingly insightful
