V and is presented by Miss S VALLIAMMAI Take a glimpse of it to extract the vision of the ebullient writers      **Put the Disciple into Discipline** Erin MacPherson, Ellen Schuknecht, 2017-06-20 PUT THE DISCIPLE INTO DISCIPLINE gives parents the tools they need to truly disciple their kids through their most trying discipline situations What do you say when your kid has really messed up How do you respond when your three year old is throwing pennies at other carts as you walk through the aisles at Target Or when your eight year old daughter rolls her eyes in a dramatic fit of preteen angst Or when your sixteen year old son is lying as he attempts to go somewhere that he never should be These are the tough moments in parenting But they are also the moments that will define your kids We want to give parents the tools they need to truly disciple their kids through their most trying discipline situations With these tools parents can guide their kids hearts towards the God who loves them deeply and survive those pull out your hair parenting moments We pray that PUT THE DISCIPLE INTO DISCIPLINE will help parents to connect with their kids in a heartfelt way so that their kids in turn can connect with the God who created them to be truly and imperfectly His

**Girl Talk** Jacqueline Mroz, 2018-11-13 A veteran science reporter's investigation into the fascinating and distinctive nature of women's friendships In Girl Talk New York Times science reporter Jacqueline Mroz takes on the science of female friendship a phenomenon that is as culturally powerful as it is individually mysterious She examines friendship from a range of angles from the historical to the experiential with a scientific analysis that reveals new truths about what leads us to connect and build alliances and then break up when a friendship no longer serves us Mroz takes a new look at how friendship has evolved throughout history showing how friends

tend to share more genetic commonalities than strangers and that the more friends we have the more empathy and pleasure chemicals are present in our brains Scientists have also reported that friendship directly influences health and longevity women with solid supportive friendships experience fewer fight or flight impulses and stronger heart function and women without friendships tend to develop medical challenges on par with those associated with smoking and excessive body weight With intimate reporting and insightful analysis Mroz reveals new awareness about the impact of women s friendships and how they shape our culture at large

**Little Somebodies, Big Nobodies** Kayla Joan Baur,2020-09-27 Willowdale High

School is the typical breeding ground for teenage angst ruthless bullying and a screwed up social order that only favors the superficial and socially adept the big nobodies Most students pass through the four uneventful years by keeping their heads down while others are forced to trek through the social battlefield while trying to retain as few emotional scars as possible For misfits like Mary Leo Paxton and Rachel braving their way through is just the way high school is for people like them that is until an eccentric girl named Sloane Riley comes along and changes their lives With a mysteriously secretive past and a rebellious demeanor that seems to always get her into trouble Sloane manages to bring the four misfits together and shows them the value of friendship and individuality From midnight swims and campfire gatherings to a fantastical school production and prom their senior year becomes the best one yet as the five friends grow closer than they ever could have dreamed However they soon realize that no one is ever left unscathed by the harshness of society when Sloane s miserable past begins to bleed into her adventurous carefree present As the months pass by and Sloane struggles with personal trauma of her own she shows her best friends the importance and the quiet subtle beauty in being little somebodies in being a guiding light for those who may be drowning in the darkness of their own lives
