mystic way and who felt the need for intense religious experience without having any opportunity for practising the austerities of the contemplative life I myself as I had better confess quite frankly am a mystic in so far as I find the world of spiritual experience more real than the material world and look on our union with God as the aim of humanity And though I agree with Dr Rendel Harris that those people who talk of undertaking the guidance of souls are both dangerous and impertinent I could not avoid giving these seekers after truth such help as was within my power which was little enough of course About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Making of a Mystic in the Twenty-First Century* Carol E. Parrish-Harra, 2014-08-06

There are three major ways to follow the spiritual path slow fast and the Bardo Most people are familiar with gradual awakening by using discipline and purification practices to cleanse one's self of emotional and behavioral conditioning Then there are others who awaken suddenly perhaps through a near death or out of body experience and they find themselves seeing and feeling in new ways about everything including their own subconscious the Bardo realm To become a mystic however is a step further as it involves both an inner commitment to spiritual growth in one's daily life as well as a deeper initiation into the mysteries of one's mind The author Carol Parrish Harra is a trusted master in helping train and guide those individuals who seek to grow in their inner life in both the pain and the ecstasy In *The Making of a Mystic* she shares age old wisdom gleaned from previous generations and adds a wealth of personal experience gained from living a mystical life in our modern world *The Making of a Mystic A Twenty first Century Mystic Speaks* by Carol E Parrish Harra offers an excellent introduction to the path of mysticism by someone who has not only studied deeply but has had deep mystical experiences herself As she writes Our real heartfelt desire is to be in the Presence This book describes her quest to bring this heartfelt desire to realization It is an inspiring work for travelers on the path Robert Powell PhD co founder of the Sophia Foundation and author of *The Sophia Teachings The Most Holy Trinosophia The Mystery Destiny and Biography of Mary Magdalene* and other works Carol Parrish Harra is a dynamic spiritual trailblazer and a real visionary Her spiritual path is a living synthesis of multiple strands of living wisdom and her story is a document of great importance As a modern Mystic she is a source of evolutionary inspiration and spiritual renewal and I warmly recommend the book Soren Hauge Spiritual Teacher Counsellor and Author [www.sorenhauge.com](http://www.sorenhauge.com) *The Making of a Mystic* is what I would like all newcomers to the field of spiritual Esoterics and Mysticism to read Carol Parrish gives easy to read descriptions of some essential Do's and Don'ts from her personal experience and warns of several traps that can befall the advanced student A gentle but firm entry into this vast subject

Archbishop Frank Bugge Australian Church of Antioch Malibar Rite The Making of a Mystic is the culmination of forty years searching finding and sharing insights into higher reality Carol Parrish has inspired generations of students and her new book written in the straightforward compelling style that is her hallmark is a must read for all on the Path John F Nash PhD author of The Soul and Its Destiny and The Sacramental Church *The Making of a Mystic: My Journey With Mushrooms, My Life as a Pastor, and Why It's Okay for Everyone to Relax* Kevin Sweeney, 2022-05-31 There is an increasing interest in the mystics contemplative faith and what it feels like in real life We have teachers who can explain the path and help us understand but we need guides who have experienced the path and who can show us how it unfolds This is what The Making of a Mystic is all about The Making of a Mystic Paddy Fievet, 2014 **The Making of a Mystic** Raina Shepard, 2025-11-23 The Makings of a Mystic The Makings of a Mystic is a contemplative immersive exploration of the inner journey that unfolds when an ordinary life is interrupted by an extraordinary call It is a book for seekers sensitives and spiritual wanderers anyone who has felt the subtle pull toward something deeper quieter and more mysterious than the surface world suggests Rather than portraying mysticism as an unreachable ideal this work reveals it as a natural and profound dimension of human experience accessible to anyone willing to listen inwardly and walk with intention At its heart the book explores how a mystic is shaped not through perfection but through presence It is the unfolding of intuition soul wisdom and heightened awareness that gradually shifts a person from living primarily through the mind to living through the essence of their being The Makings of a Mystic traces this transformation with warmth and clarity showing how spiritual awakening arises gently at first through a subtle moment of insight a quiet inner nudge or an unexpected moment of stillness and then deepens through continued openness surrender and trust The journey described here is both luminous and grounded Readers are guided through the stages of awakening the dissolution of old identities the confrontation with fear and resistance the cultivation of silence and the gradual expansion into a more unified and compassionate consciousness The mystic learns to perceive life not as a series of disconnected events but as a living tapestry woven with meaning Each challenge becomes a teacher Each moment becomes an opportunity to recognize the presence of the sacred A central theme of the book is the role of solitude and inner listening In a world dominated by noise and constant movement the mystic's path begins with a return to stillness It is within this interior space that deeper truths arise truths that cannot be found through intellect alone The mystic begins to see beyond illusion and conditioning discovering a sense of connection that transcends personal identity This shift is not an escape from the world but a way of engaging with it more authentically and compassionately As the narrative unfolds The Makings of a Mystic explores how spiritual awakening affects every aspect of life relationships creativity work and one's sense of purpose The mystic becomes a bridge between worlds living within the physical realm while remaining attuned to the subtle intuitive and divine dimensions that inform all of existence This integration is an ongoing practice a continual dance between grounding and expansion The book emphasizes that mysticism

is not about possessing special powers or secret knowledge it is about embodying presence It is the art of seeing the divine woven into ordinary experience the sacred within the mundane the infinite within the finite Mystics recognize that every moment holds potential for connection healing and insight Through surrender they align with a greater flow allowing life to move through them with a sense of ease and clarity Ultimately The Makings of a Mystic is an invitation to step out of the confines of the conditioned self to engage in honest inner inquiry and to embrace the transformative power of spiritual awakening It offers guidance reflection and gentle encouragement for anyone who feels the stirrings of a deeper calling The journey is not linear nor is it always easy but it is profoundly meaningful The mystic becomes someone who walks through life with an open heart a grounded presence and a quiet faith in the unseen forces that shape our path *The Making of a Mystic* Helen R. Bakkensen,1992 **The Making of a Mystic** Francis L. Gross Jr.,1993-07-01 This is a passionate book about a gifted woman It is written from a psychological viewpoint using the developmental point of view of a number of contemporary developmental psychologists both men and women It is a critique of contemporary American shallowness and is an apologia for a feminist ethic and a feminist sense of prayer in a world dominated by competition abstraction and unthinking labor **The Making of a Mystic** Evelyn Underhill,2010-01-26 Substantial correspondence from an exceptional writer poet pacifist and mystic **MAKING OF A MYSTIC** Aelfrida Catharine Wetenhall Tillyard,2016-08-29 **The Making of a Mystic** Aelfrida Catharine Wetenhall Tillyard,2016-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Psychological Interpretation of Mysticism ...** Clarence Herbert Hamilton,1916 **A Meeting with God** Mike Ward,2013-02-04 This book is my true recollection of the events leading up to the Mystical experience that i had in february of 1993 Immediately after my Spiritual Pilgrimage to the holy shrines on mount Carmel Israel The world centre of the Bahai Faith My experience was so intense that it took me over a year to recover a sense of normality and be able to return to my work as a contact design draughtsman to support my family I had been a Bahai fo ten years prior to this but i did not know the reality of Faith that i had been investigating at all i was just aware of the icing on the cake a Religion that seemed to tick all the right boxes and had the ingredients to appeal to a wide percentage of Mankind

Until i visited the tombs of the Prophets on Mount Carmel and abzorbed a lions share of that Holy spirit latent witin that Sacred place which soon led to a full mystical union with God as the spirit of Baha u llah here on earth I believe that i was chosen for that experience because the Spirit knew that i would one day reveal the full details of His power to the world and publish the experience for all to read as a book and on the world wide web So here you all are read and be inspired and may God bless you all Michael
