

THE MAKING OF ISRAELI MILITARISM

URI BEN-ELIEZER

Making Of Israeli Militarism

Laleh Khalili

Making Of Israeli Militarism:

The Making of Israeli Militarism Uri Ben-Eliezer, 1998-06-22 an original interpretation of the wide ranging impact of the military on Israeli society one of the most insightful works on Israeli society in general Gershon Shafir From the early days of the Yishuv militarism and the military have become a way of life for Israelis Focusing on the period between 1936 and 1956 Uri Ben Eliezer traces the ways in which military force acquired legitimacy in civilian society and how the use of organized violence became an acceptable solution to conflicts especially the Arab Israeli conflict War over Peace Uri Ben-Eliezer, 2019-06-04 Violence and war have raged between Zionists and Palestinians for over a century ever since Zionists trying to establish a nation state in Palestine were forced to confront the fact that the country was already populated Covering every conflict in Israel s history War over Peace reveals that Israeli nationalism was born ethnic and militaristic and has embraced these characteristics to this day In his sweeping and original synthesis Uri Ben Eliezer shows that this militaristic nationalism systematically drives Israel to solve its national problems by military means based on the idea that the homeland is sacred and the territory is indivisible When Israelis opposed to this ideology brought about change during a period that led to the Oslo Accords in the 1990s cultural and political forces reinforced by religious and messianic elements prevented the implementation of the agreements which brought violence back in the form of new wars War over Peace is essential reading for anyone who wants to understand the role of ethnic nationalism and militarism in Israel as well as throughout the world Israel's Civil-Military Relations and Security Sector Reform Ian Westerman, 2024-02-13 This book examines Israel s civil military relations CMR in order to explore alternatives to orthodox Western models of security sector reform SSR in post conflict societies This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance Consequently reform programs based on these guidelines and intended for use in post conflict and conflict affected states have had at best mixed results The book challenges the necessity for this over reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach It proposes that by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform there is a significantly higher chance of success Drawing on a case study of Israel s CMR the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post conflict and conflict affected SSR programmes This book will be of interest to students of military studies security studies Israeli politics and International Relations **The Invention and Decline of Israeliness** Baruch Kimmerling, 2001-12-11 This work reexamines Israel in terms of its origins as a haven for a persecuted people and its evolution into a multi cultural society The author suggests that the Israeli State has divided into seven major cultures **An Army Like No Other** Haim Bresheeth-Zabner, 2020-08-25 A history of the IDF that argues that Israel is a nation formed by its army The Israeli army

officially named the Israel Defence Forces IDF was established in 1948 by David Ben Gurion Israel's first prime minister who believed that the whole nation is the army In his mind the IDF was to be an army like no other It was the instrument that might transform a diverse population into a new people Since the foundation of Israel therefore the IDF has been the largest richest and most influential institution in Israel's Jewish society and is the nursery of its social economic and political ruling class In this fascinating history Bresheeth charts the evolution of the IDF from the Nakba to the continued assaults upon Gaza and shows that the state of Israel has been formed out of its wars He also gives an account of his own experiences as a young conscript during the 1967 war He argues that the army is embedded in all aspects of daily life and identity And that we should not merely see it as a fighting force enjoying an international reputation but as the central ideological political and financial institution of Israeli society As a consequence we have to reconsider our assumptions on what any kind of peace might look like *Dear Palestine* Shay Hazkani, 2021-04-13 In 1948 a war broke out that would result in Israeli

independence and the erasure of Arab Palestine Over twenty months thousands of Jews and Arabs came from all over the world to join those already on the ground to fight in the ranks of the Israel Defense Forces and the Arab Liberation Army With this book the young men and women who made up these armies come to life through their letters home writing about everything from daily life to nationalism colonialism race and the character of their enemies Shay Hazkani offers a new history of the 1948 War through these letters focusing on the people caught up in the conflict and its transnational reverberations *Dear Palestine* also examines how the architects of the conflict worked to influence and indoctrinate key ideologies in these ordinary soldiers by examining battle orders pamphlets army magazines and radio broadcasts Through two narratives the official and unofficial the propaganda and the personal letters *Dear Palestine* reveals the fissures between sanctioned nationalism and individual identity This book reminds us that everyday people's fear bravery arrogance cruelty lies and exaggerations are as important in history as the preoccupations of the elites **Israel Studies**, 2008

Forthcoming Books Rose Arny, 2001 **Israel Studies Forum**, 2005 **The Presentation of the National-self** Tim Jon Semmerling, 2000 This dissertation borrows from Erving Goffman's dramaturgical theories to explain the recent visual images being made in Israel and the Palestinian Territories by both Israelis and Palestinians With a focus on postcards and greeting cards predominantly found among the tourist market place in late 1998 and early 1999 I argue that these types of tourist bric a brac should not be too readily dismissed Rather these postcards and greeting cards are practices and performances of national identity display and political claims used to buttress present ideologies to affect knowledge to build national awareness and to gain international acceptance Many written works have looked at the images of the area made by Europeans prior to 1948 however this work looks at what images have been made recently and are currently being made today by Israelis and Palestinians about themselves their homelands their cultures and their nations This work identifies the symbolic choices in these postcards how the symbolic choices are arranged into messages what the symbolic messages

convey to whom the symbolic messages are directed and who benefits and who loses in these presentations of the national selves Each chapter discusses the works of particular postcard greeting card manufacturers artists and or photographers and over one hundred postcards greeting cards are analyzed Not only do I warn that these seemingly banal and ubiquitous objects are really intended to develop knowledge about Israelis and Palestinians in order to make national gains but I point out that they are evidence that semiotic struggle is another facet of the Israeli Palestinian dispute

Democracies at War Against Terrorism Samy Cohen, 2008-08-15 This book deals with the difficulty democracies face in conducting asymmetric warfare in highly populated areas without violating international humanitarian law On numerous occasions democratic nations have been singled out by human rights NGOs for the brutality of their modus operandi for their inadequate attention to the protection of civilian populations or for acts of abuse or torture on prisoners Why do they perpetrate these violations Do they do so intentionally or unintentionally Can democracies combat irregular armed groups without violating international law When their population is under threat do they behave as non democracies would Does this type of war inevitably produce war crimes on a more or less massive scale

Journal of Palestine Studies ,1999 Israel in Transition Gabriel Ben-Dor, 1998 Politics of the Modern Arab World Laleh Khalili, 2009 This four volume collection of cutting edge and canonical scholarship counters the oft cited opinion that studies of Middle Eastern politics are devoid of social scientific theory and method by providing an overview of the state of the scholarship in the field innovations therein and the debates that have advanced knowledge in the field The collection covers the Arab world from Morocco to the borders of Iran with the focus primarily on the twentieth century and especially the post Second World War era By choosing a wide array of authors many of whom are from the region or from the non Anglophone world the full breadth of worldwide scholarship on the modern Arab world is on display The collection defines politics broadly in line with the most innovative current works in the field of political studies to include not only politics at the state level but also the public social and popular domains that define and shape and are in turn defined and shaped by politics

State Formation and War Dietrich Jung, 2000 **Jewish Studies Program** ,1998 **The Michigan Israel Observer** ,2007 *The Cumulative Book Index* ,1998 A world list of books in the English language The 2007 Israeli Democracy Index Alan Arian, 2007 *Journal of International Affairs* ,2004

Making Of Israeli Militarism Introduction

In today's digital age, the availability of Making Of Israeli Militarism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Of Israeli Militarism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Of Israeli Militarism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Of Israeli Militarism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Of Israeli Militarism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Of Israeli Militarism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Of Israeli Militarism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Of Israeli Militarism books and manuals for download have transformed the way

we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Of Israeli Militarism books and manuals for download and embark on your journey of knowledge?

FAQs About Making Of Israeli Militarism Books

1. Where can I buy Making Of Israeli Militarism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
