## **Making Of The Georgian Nation:**

*The Making of the Georgian Nation, Second Edition* Ronald Grigor Suny, 1994-10-22 the best study in English to date for an understanding of Georgian nationalism Religious Studies Review the standard account of Georgian history in English American Historical Review tour de force research fascinating reading American Political Science Review Like the other republics floating free after the demise of the Soviet empire the independent republic of Georgia is reinventing its past recovering what had been forgotten or distorted during the long years of Russian and Soviet rule Whether Georgia can successfully be transformed from a society rent by conflict into a pluralistic democratic nation will depend on Georgians rethinking their history This is the first comprehensive treatment of Georgian history from the ethnogenesis of the Georgians in the first millennium B C through the period of Russian and Soviet rule in the nineteenth and twentieth centuries to the emergence of an independent republic in 1991 the ethnic and civil warfare that has ensued and perspectives for Georgia's future

**Empires and Nations from the Eighteenth to the Twentieth Century** Antonello Biagini, 2014-06-19 This volume is the result of an international conference held at Sapienza University in Rome on June 20 and 21 2013 as the final stage of the PRIN Progetto di rilevante interesse nazionale project Empires and Nations from the 18th to the 20th century during which scholars from all over the world academics specialists young researchers PhD students and post doctorates confronted diverse but connected topics on the relations between multinational empires and the idea of the nation In this way the reality of the historical empires and national states was represented and concepts such as identity nationality and sovereignty analyzed The first part of this work is dedicated to the analysis of the origins of nation states in the context of the multinational Habsburg Ottoman and Tsarist empires while the second pays particular attention to the issue of national minorities which followed the dissolution of the great empires The third part is related to national identity and focuses on art and culture by presenting artists painters writers and intellectuals who had played key roles in the formation of their national identities Such pioneers include Hungarians Romanians Serbs Georgians Chinese and Brazilians Specific sections are dedicated to theoretical approaches and concepts such as imperialism geopolitics nationality and regionalism and to the analysis of religious and gender issues

**Dreams of Emancipation** Norihiro Naganawa, 2025-09-30 Given Russia's invasion of Ukraine why do emancipation messages that emanated from Russia count Navigating multilingual sources this book addresses the role of Russia's multiethnic society and borderlands in generating kaleidoscopic repercussions of its 1917 Revolution It also sees the USSR's interactions with its neighboring countries as a crucible of the Soviet modality of communism The book shows how the collapse of the Russian Empire further released a vast range of liberationist projects and dreams far from confined to the goals of Bolshevism in its borderlands and beyond and how the Soviet Union became a highly ambiguous source of emancipatory inspiration in the long twentieth century overshadowing today's global politics

*The Experiment* Eric Lee, 2017-09-15 For many the Russian Revolution of 1917 was a symbol of hope In the eyes of its

critics however Soviet authoritarianism and the horrors of the gulags have led to the revolution becoming synonymous with oppression threatening to forever taint the very idea of socialism The experience of Georgia which declared its independence from Russia in 1918 tells a different story In this riveting history Eric Lee explores the little known saga of the country s experiment in democratic socialism detailing the epic turbulent events of this forgotten chapter in revolutionary history Along the way we are introduced to a remarkable cast of characters among them the men and women who strove for a more inclusive vision of socialism that featured multi party elections freedom of speech and assembly a free press and a civil society grounded in trade unions and cooperatives Though the Georgian Democratic Republic lasted for just three years before it was brutally crushed on the orders of Stalin it was able to offer however briefly a glimpse of a more humane alternative to the Soviet reality that was to come
