K. Clark, 1962 *The Making of Victorian England* G. K. Clark, 1962 **The Making of Victorian England** John Charles Burkill, 1965 **The Making of Victorian England** George Sidney Roberts Kitson Clark (historien.), 1962 **The Making of Victorian England** C. Kitson Clark, 1970 **The English and Their History** Robert Tombs, 2015-10-27 A New York Times 2016 Notable Book Robert Tombs's momentous *The English and Their History* is both a startlingly fresh and a uniquely inclusive account of the people who have a claim to be the oldest nation in the world The English first came into existence as an idea before they had a common ruler and before the country they lived in even had a name They have lasted as a recognizable entity ever since and their defining national institutions can be traced back to the

earliest years of their history The English have come a long way from those first precarious days of invasion and conquest with many spectacular changes of fortune Their political economic and cultural contacts have left traces for good and ill across the world This book describes their history and its meanings from their beginnings in the monasteries of Northumbria and the wetlands of Wessex to the cosmopolitan energy of today s England Robert Tombs draws out important threads running through the story including participatory government language law religion the land and the sea and ever changing relations with other peoples Not the least of these connections are the ways the English have understood their own history have argued about it forgotten it and yet been shaped by it These diverse and sometimes conflicting understandings are an inherent part of their identity Rather to their surprise as ties within the United Kingdom loosen the English are suddenly embarking on a new chapter The English and Their History the first single volume work on this scale for more than half a century and which incorporates a wealth of recent scholarship presents a challenging modern account of this immense and continuing story bringing out the strength and resilience of English government the deep patterns of division and also the persistent capacity to come together in the face of danger

The Making of Victorian Values Ben Wilson,2007 A history of pre Victorian England cites the contributions of Romantic authors profiles the role of imperialism and traces Britain s influence as an economic and political power likening elements of the period to those of today s world

Victorian England: Portrait of an Age G. M. Young,2021-08-30 In Victorian England Portrait of an Age G M Young crafts a compelling narrative that captures the essence of the Victorian era through its intricate social cultural and political tapestry The book employs a blend of vivid descriptions and analytical rigor immersing readers in the complexities of a time marked by industrial revolution imperial ambitions and profound social change Young s keen observations draw on various sources including literature public discourse and personal accounts providing a multifaceted view of Victorian society while situating it within the broader context of European history G M Young a distinguished historian and biographer was profoundly influenced by the tumultuous changes that capitalism and modernity wrought upon society His academic journey illuminated the interconnectedness of the past and present leading him to examine how historical narratives shape contemporary identities Young s expertise is informed by his own reflections on the Victorian legacy making him an authoritative voice on the subject His experiences and intellectual rigor resonate throughout his work allowing readers to appreciate the intricacies of an age that continues to shape modern Britain For readers seeking to understand the foundations of contemporary society Victorian England Portrait of an Age is an essential read Young s erudition and engaging prose invite you to traverse a crucial historical period offering insights that remain relevant today This work is not only a scholarly exploration but also a profound reflection on the enduring impact of the Victorian era
