## **Making Peace In The Global Village:**

**Making Peace in the Global Village** ,1981-01-01 Advocates the role of a Christian approach to peacemaking in an age of increased militarism nuclear proliferation and an escalating international arms race [Leader's Guide for Making Peace in the Global Village by Robert McAfee Brown](#) Katherine A. Gehris,Paul D. Gehris,198? **Peacemaking** ,2021-10-25

Peacemaking includes a large array of activities from local to global attempts to attain peace It includes consideration of international interstate and intertribal conflict resolution communal personal and interpersonal social justice deterrence of the use of nuclear weapons design of international treaties that prevent war or other forms of international conflict disarmament international organizations that secure the order among nations and even from some points of view war As the 20th century drew to a close we have witnessed peacemakers trying to end ethnic cleansing reinstate justly elected political leaders and reach compromises in the ideological differences that perpetuate age old conflicts We also see peacemaking in our schools homes and workplaces Philosophers have long been interested in peacemaking in one form or another and philosophical accounts of peacemaking reflect the variety of perspectives methods and activities developed in pursuing peacemaking In some instances philosophers expand upon the situations activities and methods of the peacemaker in the field The essays in this volume propose some theoretical arguments for various aspects of peacemaking offer nonmilitary alternatives to war and discuss practical examples of peacemaking in daily life The contributors analyze power relations language social groupings and distribution of resources At times they draw insight from social and historical models of conflict and conflict resolution This collection of essays on peacemaking aims to enlighten contemporary social and political discussions and contribute to achieving the ever challenging goal of peace **With Roots and Wings** Jay B.

McDaniel,2009-06-26 In With Roots to be open to the insights of people of other faiths as well as to share our own and to become centered on God McDaniel shows where the new universe story of Thomas Berry and Brian Swimme and the Christian story meet and differ where they complement and where they supplement one another With Roots Wings shows how to experience both green grace that comes from opening one's self to the rhythms of the cosmos and red grace symbolized in the crucifixion of Christ both of which are vital to a Christian ecological spirituality and praxis Most impressive is McDaniel's ability to absorb and reflect important lessons Christians can learn from Native Americans from Buddhists and Hindus from Muslims and Jews The complexity of the issues he addresses and his ability to explain them simply and clearly makes With Roots and Wings must reading for the general reader as well as ecological activists clergy and laity alike Nothing else comes near it in depth power and insight **Coming of Age in the Global Village** Stephen P. Cook,1990 **An Introduction to Christian Ethics** Roger H. Crook,1995 This introduction to the study of Christian ethics introduces the field of ethics in general surveys the variety of Christian approaches to the study of ethics describes the author's own methods for making ethical decisions and explores topical ethical issues both personal and social [Arms Control and](#)

Disarmament, Defense and Military, International Security, and Peace Stephen E. Atkins,1989      **Making Peace with the Environment** I T. Y. S. Lama Gangchen,1996      **Peace Education** Ian M. Harris,1988 Here is a tool for teachers church leaders community activists and concerned citizens interested in using educational strategies to bring about a peaceful world It presents the goals and key issues of peace education describes the difficulties and obstacles educators are likely to meet and how to overcome them and suggests approaches and programs for different age groups Other information includes religious resources an annotated list of curricular materials an annotated bibliography in several categories and grade levels and a directory of organizations providing resource materials      **Power and Principle in International Affairs** Gordon Clark Schloering,1991      **The Ecumenical Review**,1981      Foreign Policy in Perspective: Strategy, Adaptation, Decision Making John P. Lovell,1970 From the John Holmes Library Collection      Seizing the Apple Denise Lardner Carmody,1984 Discusses the special meaning of the Christian tradition for women and examines prayer work politics and family life from a feminist and religious point of view      **Paperbound Books in Print**,1992      **The Southern African Peacekeeping & Peacemaking Project: Towards sustainable peace and stability in Southern Africa, 1993**,1994      **The Wounded Heart of God** Andrew Sung Park,1993 Park asserts that one cannot grasp the full meaning of the sin and guilt of sinners until one has looked at the Korean concept of han the relational consequence of sin and shame of their victims To reconcile with God and with other humans one's sin must be repented guilt must be forgiven the han of those who have been wronged must be healed and the shame which results from that wrong must be erased      **Twentieth-Century Shapers of American Popular Religion** Charles H. Lippy,1989-03-27 Those familiar with the uneven quality of existing biographies and autobiographies of modern American religious celebrities will be especially grateful for the critical comments and reliable information in this engaging volume Choice Despite its pervasive influence popular or non official religion in twentieth century America has been largely ignored by scholars This book is the first biographical reference to be published on the subject It examines the lives and careers of more than sixty notable individuals who have helped to shape popular religious sentiment in this century including radio and television preachers inspirational writers gospel songwriter performers mass revivalists and leaders of religious movements that cut across denominational lines In his introduction Lippy discusses the eclectic and individualistic character of popular religion its impact on American attitudes and behavior and critical approaches to interpreting and understanding it Each essay offers a brief biography followed by a critical appraisal of the contribution of the subject and an assessment of relevant literature Entries conclude with a selective bibliography Cross referencing and a comprehensive index are supplied Combining the efforts of more than forty scholars Lippy's book is the first to give us a clear picture of the many different kinds of people who have left their mark on popular religious consciousness in the twentieth century A useful reference for American studies American religious history popular culture studies and related areas this volume will also be of interest to general readers      **Moral Issues & Christian Response**

Paul T. Jersild,Dale A. Johnson,1993      **Religion & Ethics for a New Age** Emmanuel K. Twesigye,2001 In Religion Ethics for a New Age the problems of traditional Christian dogmas of evil death the fall violence sexuality patriarchal theological language and symbols are discussed within a global evolutionary context as well as that of the existential reality of cultural moral and religious pluralism Agape as the central commandment of Christ is adopted as the new universal grounding for true global Christian ethics sound religion humane moral and cultural values God s supernatural activities of creation and redemption are presented as coextensive with evolutionary history and life in the world as God s unfolding kingdom
