Sheila Kelley actress TedX Speaker and author **The Humanities in City Planning** Martin Krieger, 2024-10-28. This book by preeminent planning theorist Martin H Krieger explores how cities are much more than their economies demographies or geographies. Planning today is dominated by social science but Krieger takes a different approach thinking of city planning in terms of Culture Uncertainty and Visuality. The chapters explore planners and their role as protagonist in the humanities of literature and history the inevitability of uncertainty in planning and how to face it and how to attend to the physical visual and aural environment of the city. Through a series of essays Krieger shows that cities are cultural and meaningful that they are contingent and so filled with opportunity and that they are concrete particular and encountered. The Humanities in City Planning will be of interest to students and scholars of the humanities and planning looking for alternative ways of viewing the city.
