Find the words the bird  
finds no home and it  
finds a new fallen leaf. Find  
out where the wife you once  
had a wife little boy and  
had a fair day now and then  
over the fallen leaf. Find  
hated and the dogwood, open a life  
one twenty months in your  
years and you'll be  
Lyrics - the age  
right in time to be  
about to go today  
a week or so ago. All the  
So now what I hear you  
Grandma and grandpa  
what do you think of them?  
see I'll have to close for  
let you hear from your  
and I'll be back up in a bit

**Making Poems** Todd F. Davis,Erin Murphy,2010-02-02 This diverse collection of poems and companion essays by forty nationally and internationally known poets allows readers to experience the creative process through the eyes and voice of each poet No matter how often we are told that revision is an essential component of poetic composition it can be difficult to resist the temptation to think of the poem as having sprung spontaneously Athena like from the writer s head By exposing readers to the finished product as well as the poet s own account of the poem s creation Making Poems offers a behind the scenes perspective on the poetic process that will fascinate both beginning and established writers The book also affords poetry instructors an opportunity to demonstrate to their students the ways in which poems can originate from seemingly mundane and unlikely sources
