**Effective Alternative Education Programs** Christopher Scott

Chalker,Kimila S. Brown,1999-08-04 The number of alternative education programs in the United States has increased

significantly over the past several years Unfortunately the number of resource books addressing alternative education has

not paralleled program growth Filling a major gap in the literature Chalker and Brown provide concrete solutions to

challenging problems associated with the planning development and implementation of alternative education programs for K

8 students They break the book into equal parts treating respectively K 5 6 8 and combined K 8 efforts at prevention and

early intervention before students reach high school Public school administrators and alternative program educators will find

this book useful and educational professionals at the national and state level will appreciate the activities aimed at school

improvement initiatives
