## Making Of Men:

**Making Men in the Age of Sail** Graeme J. Milne,2024-06-15 Myths and stereotypes surrounding seafarers in the Age of Sail persist to this day Sailors were celebrated for their courage strength and skill yet condemned for militancy vice and fecklessness As sail gave way to steam sailing ship mariners became nostalgic symbols of maritime prowess and heritage representing a timeless heroic masculinity in an era when the modernizing industrial world was challenging assumptions about gender class work and society Drawing on British seafaring memoirs from the late nineteenth century Making Men in the Age of Sail argues that maritime writing moulded the reading public's image of the merchant seaman Authors chronicled their lives as they grew from boy sailors to trained seafarers telling colourful tales of the men they worked with most never doubted that the sailing ship had made them better men Their testimony reinforced and preserved conservative perspectives on seafaring manhood as Britain's economic and technological priorities continued to evolve in the new steamship age Offering a gender analysis of the image of the seafarer Making Men in the Age of Sail brings the history of British sailors into wider debates about modernity and masculinity     *Making Men: Rugby and Masculine Identity* Timothy J.L. Chandler,John Nauright,2013-01-11 This text looks at how an understanding of rugby can provide insight into what it has meant to be a man in societies influenced by the ideals of Victorian upper and middle classes It shows that rugby has been a means of promoting male exclusivity but also been a means of cultural incorporation     *Making Men from "The Boys"* Nick Olynyk,2015-07-07 A collection of stories from the author's career each containing a significant lesson about masculinity Making Men From The Boys will motivate young men to ask more of life and take more personal action to achieve it even as young men get more mixed signals about what it is to be a man than ever before     The Greater Men and Women of the Bible James Hastings,1914     **Report of the Commissioner of Industrial and Vocational Education** California.
