Making Beds For The Dead:

Animals, Animality and Controversy in Modern Welsh Literature and Culture Linden Peach, 2022-11-15 This is the first study of the representation of animals and animality in Welsh literature. It introduces the reader to key ideas and concepts from the new and fast growing field of animal studies and suggests how Welsh rural and urban history might be redrawn from the perspective of animals and their agenda. It provides new and exciting insights into a range of Welsh writings about animals and examines how Welsh literature explores ways of thinking about intelligence, sensibilities and knowledge from an animal perspective. The book introduces readers to the concept of a relational universe in which all life is bound together through a network of relations and connections and illustrates its importance to animal studies and Welsh writing.

Erastus Pierce, 1929 Transactions of the Medico-Chirurgical Society of Edinburgh, 1893 I Can't Make This Up Kevin Hart, 2017-06-06 New York Times bestselling author, superstar comedian and Hollywood box office star Kevin Hart turns his immense talent to the written word in this hilarious but also heartfelt Elle memoir on survival, success and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans and his own toys. The odds in short were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling and

Chocolate Droppa before him was able to defy the odds and turn it around In his literary debut he takes us on a journey through what his life was what it is today and how he's overcome each challenge to become the man he is today And that man happens to be the biggest comedian in the world with tours that sell out football stadiums and films that have collectively grossed over 3 5 billion He achieved this not just through hard work determination and talent Hart is an incredibly magnetic storyteller on the page as he is onstage and that's what shines through in this genial entertaining guide to a life in comedy Kirkus Reviews **Mahale Chimpanzees** Michio Nakamura,Kazuhiko Hosaka,Noriko Itoh,Koichiro Zamma,2015-09-10 Long term ecological research studies are rare and invaluable resources particularly when they are as thoroughly documented as the Mahale Mountain Chimpanzee Project in Tanzania Directed by Toshisada Nishida from 1965 until 2011 the project continues to yield new and fascinating findings about our closest neighbour species In a fitting tribute to Nishida's contribution to science this book brings together fifty years of research into one encyclopaedic volume Alongside previously unpublished data the editors include new translations of Japanese writings throughout the book to bring previously inaccessible work to non Japanese speakers The history and ecology of the site chimpanzee behaviour and biology and ecological management are all addressed through firsthand accounts by Mahale researchers The authors highlight long term changes in behaviour where possible and draw comparisons with other chimpanzee sites across Africa to provide an integrative view of chimpanzee research today
