Making Globalization Work Joseph E. Stiglitz, 2007-09-17 A damning denunciation of things as they are and a platform for how we can do better Andrew Leonard Salon Building on the international bestseller *Globalization and Its Discontents* Joseph E Stiglitz offers here an agenda of inventive solutions to our most pressing economic social and environmental challenges with each proposal guided by the fundamental insight that economic globalization continues to outpace both the political structures and the moral sensitivity required to ensure a just and sustainable world As economic interdependence continues to gather the peoples of the world into a single community it brings with it the need to think and act globally This trenchant intellectually powerful and inspiring book is an invaluable step in that process [Making Globalisation](#) Robert Holton, 2005-07-08 Publisher description [Making Globalisation](#) Robert J. Holton, 2017-03-23 This book offers a clear and concise account of the key debates in the globalization literature serving as an accessible introduction to students new to the topic It deals even handedly with all the various dimensions of globalization political economic social and cultural and particularly draws attention to the role of people in processes of globalization The book s historical dimension and its multicultural focus ensure that globalization is shown neither to be an inexorable process nor one that can be equated simply with Westernization *Making Globalization Work* Joseph E. poverty China for instance saw a phenomenal drop in its extreme poverty rate from 36 percent at the end of the 1990s to 6 percent in 2011 Another example is Vietnam which in a single generation moved from being one of the world's poorest nations to middle income status which has allowed for increased investments in health and education Making Globalisation Work, 2006 **Making Globalization Socially Sustainable** Organización Mundial del Turismo, 2011
