Ethno-Playography Anne Hart,2007-07-27 Here s how to write salable plays skits monologues or docu dramas from life experiences social issues or current events Write plays skits using the technique of ethno playography which incorporates traditions folklore and ethnography into dramatizing real events The sample play and monologues portray events as social issues One true life example for a skit is the scene in the sample play written from first person point of view about a 1964 five minute train interlude when a male passenger commands the protagonist not to cross between cars while the train is in motion The passenger stands between the cars next to his wife who says timorously Let her go dear after the wife notices the young protagonist wears a wedding ring The protagonist tells him she s pregnant returning from the john and needs to get back to her family Instead he squeezes her head in a vise like grip crushing her between his knee and the wall of the train He kicks at the base of her spine yelling stereotypical ethnic epithets while passengers ignore events After the sample play and three monologues for performance you will have learned how to write ethnographic dialogue and select appropriate scene settings Also included are e interviews with popular fiction writers

The Bookbinder Jackie K. Cooper,2006 It has been said that no man is an island We are all bound together by shared beliefs and shared experiences As we go through life we find that we are not as unique as we once thought We have much in common with the person who lives down the street as well as the ones who live across the globe Lives are not lived in vacuums but rather in interactive communities This world of binding is what gives life its richness The stories in this book will reach inside the reader s heart and soul to strike a common chord In lucid memorable prose Cooper offers remembrances reflections and experiences that can be shared by readers of all ages
