**Pataphysician's Library** Ben Fisher,2000-01-01 The Pataphysician s Library is a study of aspects of 1890s French literature with specific reference to the traditions of Symbolism and Decadence Its main focus is Alfred Jarry who has proved perhaps surprisingly to be one of the more durable fin de si cle authors The originality of this study lies in its use of the enigmatic list of books termed the livres pairs which appears in Jarry s 1898 novel *Gestes et Opinions du docteur Faustroll pataphysicien* his best known prose work The greatest interest of the livres pairs lies in a group of works by Jarry s friends and contemporaries primarily Leon Bloy Georges Darien Gustave Kahn Catulle Mendes Josephin Madan Rachilde and Henri de Regnier Several of these authors feature as the lords of islands visited by the pataphysician Dr Faustroll in his curious voyage around Paris In conjunction with Jarry s own works the contemporary livres pairs serve to illustrate the vibrant and experimental atmosphere in which these authors worked      **Catalogue** Maggs Bros,1915      **The Films of Rene Clair** R. tourism on the urban environment from multidisciplinary perspectives and a wide range of geographical regions across Europe North America Asia and South America Through these contemporary case studies the book further deepens our understanding of the ways in which ambiances and atmospheres pervade the physical regeneration and sensory transformation of contemporary tourist destinations Conversely this book offers insights on the effects of tourism on everyday urban experience By bringing together a diverse group of scholars and case studies to present a global perspective on the atmospheric production of the tourist city this book is to serve as a valuable reference tool for researchers and undergraduate and postgraduate students with an interest in urban ambiances tourism cultural geography and urban planning Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Art and Letters**, 1888
