## **Making Over Martha:**

**Making over Martha** Julie Mathilde Lippmann, 2016-09-30 Martha Slawson sat at her sewing machine stitching away for dear life About her billowed yards upon yards of white cotton cloth which in its uncut length shifted as she worked almost imperceptibly piling up a snowy drift in front of her drawn from the snowy drift behind This gradual ebb and flow was all that marked any progress in her labor and her husband coming in after some hours of absence and finding her apparently precisely where he had left her was moved to ask what manner of garment she was making *Making Over Martha* Julie M. Lippmann, 1914

Martha's Insatiable Desires Carter Wilson, 2025-08-07 Martha's Insatiable Desires is the never before told story of how actress Martha Hyer stole approximately 10 million dollars from hubby famed producer Hal Wallis As a couple Hyer and Wallis were somewhat mismatched He was a boy from the slums of Chicago whose success in the movie business 196 films over a 44 year career owed as much to his ability to pinch a penny as to his aptitude for wheeling and dealing Beautiful sexy Martha was a relentless shopaholic who dealt with her addiction through skullduggery To get relief from huge mounting personal debt she mortgaged Hal's Beverly Hills mansion his 12 room oceanside getaway in Trancas Canyon and their desert home in Palm Springs And then there arose the itchy question of what to do about Hal's small but superior collection of French Impressionist paintings hanging there in the sun room of their L A abode doing nobody any particular good

**Making Over Martha** Julie M Lippmann, 2025-05 Making over Martha examines the pressures of domestic identity and self worth within the context of shifting societal roles As a woman juggling expectations tied to marriage and motherhood the protagonist confronts the gap between her ambitions and how others perceive her The book reflects on the tension between tradition and individuality particularly for those expected to anchor family life through invisible labor Her efforts to transform her home into a welcoming space for returning guests become symbolic of deeper internal change In her desire to assert control over the domestic sphere she begins questioning the assumptions embedded in social rituals and domestic expectations The narrative uses her witty perspective to expose how routine duties and emotional labor are undervalued even though they sustain the rhythm of everyday life Her observations hint at dissatisfaction beneath her surface humor while her resilience becomes a quiet rebellion against being reduced to outdated roles This inner drive to shape meaning in the ordinary slowly reveals how transformation can occur within the confines of the familiar Without dramatic upheaval the novel captures the quiet evolution of self through domestic intention challenging the notion that personal reinvention must be loud to be powerful
