

New Adam

William Palmer Smith

New Adam:

Jesus, the New Adam Dennis J. Billy, 2017-11-15 This book retells the narrative of Christ's redemptive journey by looking at some of the Gospel's underlying assumptions and showing how they are both reasonable and credible. For Christians, faith is not contrary to reason but presupposes and even builds on it. This faith asks us to put aside whatever preconceptions we may have regarding the Gospel message and listen with an open heart to the way it speaks to the universal human condition. The seed of hope buried deep within the mythologies of old is nothing but a faint reflection of God's dream for his creation. For Christians, this dream has entered the arena of history in the person of Jesus Christ, the New Adam, who sheds light on our human condition by making all things new. Rev 21:5 *The New Adam* Ron Highfield, 2021-04-23 Have you ever found yourself repeating expressions such as "Jesus saves" or "Jesus died for our sins" without really understanding them? When popular speakers explain how Jesus's death satisfied God's wrath so you could be forgiven, do you ever think to yourself, "I don't get it. If so, you're not alone; you're not dumb, and the problem is not with you." Ron Highfield reframes Christian teaching about the atonement so that it comes alive with fresh meaning. Drawing on biblical and traditional sources, Highfield explains why our frustration in trying to understand how Jesus's death satisfies God's judicial wrath is inevitable because the idea doesn't make sense and the Bible doesn't teach it. Instead of viewing the atonement as the solution to God's problem of how to forgive sins while remaining perfectly just, Highfield argues that the atonement is God's solution to our problem. In Jesus, God rewrites the human story, forgiving our sins, correcting our mistakes, and realizing our destiny. As one of us, Jesus lives a perfect life, passes through death, and enters into eternal life. As the new Adam, he invites us to join his family, share his life, and enjoy his victory. [Apocalypticism in the Bible and Its World](#) Frederick J. Murphy, 2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament; Frank Moore Cross Award; American Schools of Oriental Research 2013. Apocalypticism is not a peripheral topic in biblical studies. It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple. It therefore constituted the worldview of Jesus, Paul, and the earliest Christians, and it is the context in which the New Testament books were written. In this volume, Frederick Murphy defines apocalypticism while discussing its origins, where it comes into play in the Hebrew Bible, and how it relates to Jesus and the New Testament. **The Baptism of Jesus the Christ** Ralph Allan Smith, 2010-04-05 The baptism of Jesus by John the Baptizer is one of the theologically richest narratives in the Gospels, touching the transition from the old to the new covenant, the doctrines of water and Holy Spirit baptism, and the doctrine of the Trinity, to name only the most significant of topics. In *The Baptism of Jesus the Christ*, Ralph Allan Smith addresses each of these areas, aiming in particular to respond to James D. G. Dunn's view that Jesus' baptism and the gift of the Spirit are fundamentally distinct events, to revive John Calvin's view of the baptism of Jesus as central to understanding Christian baptism, and to suggest directions for rethinking the doctrine of God's attributes in the light of the fully personal
