son in her old age and this is the sixth month with her who was called barren This book was written by the inspiration and insistence of the Holy Spirit He anointed me to write and I obeyed The result was a book that has activated many of my sample audience to seek a closer relationship with God A teenaged reader said that she began to cry while reading When a prophet cries and she has felt closer to the Lord ever since She said that her whole life was changed A young lady from my gym said that is an awesome book I just had to read it over and over I have received countless phone calls from people commenting on how their lives have been touched by this writing I believe this writing will attest to the fact that God has a personal interest in His people so much so that He has mandated that the prophets speak forth his heart to them I am anointed to write for this season to a people who are hungry and thirsty for the living word of God Though many messages have gone before this book is a holy designation for that portion of the body of Christ that are desiderate for a rhema from the Spirit of God
