Love Graduation

**Illinois. Charitable Eye and Ear
Infirmary, Chicago**

Love Graduation:

Love's Executioner Irvin D. Yalom, 2013-04-04 Love's Executioner offers us the humane and extraordinary insight of renowned psychiatrist Irvin D Yalom into the lives of ten of his patients and through them into the minds of us all Why was Saul tormented by three unopened letters from Stockholm What made Thelma spend her whole life raking over a long past love affair How did Carlos's macho fantasies help him deal with terminal cancer In this engrossing book Irvin Yalom gives detailed and deeply affecting accounts of his work with these and seven other patients Deep down all of them were suffering from the basic human anxieties isolation fear of death or freedom a sense of the meaninglessness of life that none of us can escape completely And yet as the case histories make touchingly clear it is only by facing such anxieties head on that we can hope to come to terms with them and develop Throughout Dr Yalom remains refreshingly frank about his own errors and prejudices his book provides a rare glimpse into the consulting room of a master therapist Dr Yalom demonstrates once again that in the right hands the stuff of therapy has the interest of the richest and most inventive fiction Eva Hoffman New York Times These remarkably moving and instructive tales of the psychiatric encounter bring the reader into novel territories of the mind and the landscape is truly unforgettable Maggie Scarf Love's Executioner is one of those rare books that suggests both the mystery and the poetry of the psychotherapeutic process The best therapists are at least partly poets With this riveting and beautifully written book Irvin Yalom has joined their ranks Erica Jong Dr Yalom offers a valuable insight into the delicate process of therapy Sunday Telegraph Dr Yalom is unusually honest both with his patients and about himself Anthony Storr Yalom is a gifted storyteller and from the sound of these tales a no less gifted psychotherapist Los Angeles Times

Jesus Loves Japan Suma Ikeuchi, 2019-06-18 A study of ethnic Japanese Brazilian Pentecostal Christians living in Japan After the introduction of the long term resident visa the mass migration of Nikkeis Japanese Brazilians has led to roughly 190 000 Brazilian nationals living in Japan While the ancestry based visa confers Nikkeis right to settlement virtually as a right of blood their ethnic ambiguity and working class profile often prevent them from feeling at home in their supposed ethnic homeland In response many have converted to Pentecostalism reflecting the explosive trend across Latin America since the 1970s Jesus Loves Japan offers a rare window into lives at the crossroads of return migration and global Pentecostalism Suma Ikeuchi argues that charismatic Christianity appeals to Nikkei migrants as a third culture one that transcends ethno national boundaries and offers a way out of a reality marked by stagnant national indifference Jesus Loves Japan insightfully describes the political process of homecoming through the lens of religion and the ubiquitous figure of the migrant as the pilgrim of a transnational future Praise for Jesus Loves Japan Transnational migrants find spiritual sustenance in Suma Ikeuchi's careful sensitive ethnography In showing how Pentecostalism grants meaning to a bleak existence Ikeuchi opens new vistas in our understanding of Japanese Brazilians residing in Japan She offers fresh insights to all interested in identity puzzles self making religious conversion and global movement Daniel T Linger Professor Emeritus of Anthropology University

of California Santa Cruz Suma Ikeuchi's nuanced fieldwork among Japanese Brazilians Nikkei employed in Japan exposes the flawed hematopoietic logic of government and corporate officials who believed that ancestry blood alone would make Nikkei more assimilable than other foreign guest workers. This book demonstrates the primacy of culture over blood as a cipher for ethnicity. Jennifer Robertson, author of *Robo Sapiens Japanicus: Robots, Gender, Family, and the Japanese Nation* 2018. This is a remarkable book about a remarkable situation. Through wonderfully vivid ethnography, Ikeuchi documents the lives of Brazilian Pentecostal converts in Japan as they negotiate identities as migrants, homecoming pilgrims and believers. In the process, the book becomes an anthropological meditation on time, belonging, sincerity, and the multiple meanings of making connections through blood. Simon Coleman, Chancellor Jackman Professor, University of Toronto.
