Year One John Cepoi,2023-10-06 In today s world filled with instant gratification and a monotonous strive to be mediocre we ve forgotten what success means Lots of people have different answers Discipline consistency motivation passion etc But the problem is they don t last And there is a very simple reason for it By themselves they will never get you to achieve greatness Instead think of them as ingredients to a recipe The result of that recipe when properly cooked is a habit It is within habits that we can find our inner transformation to the meaning in our lives But it s as easy as you may think You ve been lied to by so called gurus that building a habit doesn t take long Year One aims to demystify all those lies and give you a step by step game plan to follow Start building habits which will stick and improve your life forever **Wisconsin Journal of Education** ,1923
