*Instrumental Music Education* Evan Feldman, Ari Contzius, 2020-07-26 *Instrumental Music Education* Teaching with the Musical and Practical in Harmony Third Edition is intended for college instrumental music education majors studying to be band and orchestra directors at the elementary middle school and high school levels. This textbook presents a research based look at the topics vital to running a successful instrumental music program while balancing musical theoretical and practical approaches. A central theme is the compelling parallel between language and music including sound to symbol pedagogies. Understanding this connection improves the teaching of melody rhythm composition and improvisation. The companion website contains over 120 pedagogy videos for wind string and percussion instruments performed by professional players and teachers over 50 rehearsal videos rhythm flashcards and two additional chapters The Rehearsal Toolkit and Job Search and Interview. It also includes over 50 tracks of acoustically pure drones and demonstration exercises for use in rehearsals sectionals and lessons. *New to This Edition* A new chapter on teaching beginning band using sound to symbol pedagogies. Expanded coverage for strings and orchestra including a new chapter on teaching beginning strings. A new chapter on conducting technique. Expanded material on teaching students with disabilities. Concert etiquette and the concert experience. Expanded coverage on the science of learning including the Dunning Kruger effect and the effective use of repetition in rehearsals. Techniques for improving students practice habits. *Musical Classroom* Carolynn A. Lindeman, 2016-01-08 With this Eighth Edition The Musical Classroom celebrates thirty years as a leading resource for future and in service teachers as they engage children in the exciting world of music. Teachers with the help of this user friendly text can develop the understandings and skills needed to teach elementary school music. The forty four model lessons are the centerpiece to the book's long lasting success. A collection of over 170 children's songs from around the world instructional information for learning to play the recorder keyboard guitar and Autoharp TM and the theoretical pedagogical and practical backgrounds needed for reaching all learners complete the comprehensive resource of The Musical Classroom. Note This is the standalone book.
