Urban Fantasy Global Trend:

Images of the Anthropocene in Speculative Fiction Tereza Dedinová, Weronika Laszkiewicz, Sylwia Borowska-Szerszun, 2021-03-01 In order to demonstrate that speculative fiction provides a valuable contribution to the discussion about the challenges of the Anthropocene *Images of the Anthropocene in Speculative Fiction* investigates a range of novels whose subject matter pertains to various aspects of the Anthropocene These include the destruction and protection of the natural environment the relationship between human and non human inhabitants of the planet the role of myth in the shaping of and combat against the Anthropocene the political dimensions of the Anthropocene the ensuing threat of the Apocalypse and the role of post apocalyptic narratives To explore these topics our authors examine the works of Patricia Briggs M R Carey Dmitry Glukhovsky Ursula K Le Guin N K Jemisin Stephenie Meyer China Mi ville James Patterson Maggie Stiefvater J R R Tolkien and Scott Westfield Their essays demonstrate that speculative fiction given its ability to pursue scenarios of alternative history and present familiar things in an unfamiliar way can alter the readers perception of their duties and responsibilities towards their communities and the world so that the threat of human wrought destruction might ultimately be averted [Urban Tunnels Role](#) Benjamin Ramirez, AI, 2025-02-26 *Urban Tunnels Role* explores the hidden world of underground infrastructure and its vital role in modern cities This book highlights how urban tunnels support essential utilities like water and electricity and transportation systems such as subways impacting urban development resilience and sustainability Intriguingly underground infrastructure has evolved alongside urban development initially serving basic sanitation needs and expanding to meet current challenges like population density and climate change The book emphasizes the importance of tunnels for efficient utility distribution and transportation networks It examines geological considerations excavation techniques and structural engineering principles providing a comprehensive understanding of tunnel construction By understanding these subterranean networks cities can optimize resource allocation and minimize environmental impact Beginning with the historical development of urban tunneling the book progresses through utility and transportation aspects featuring global case studies of successful tunnel implementation It concludes by exploring future trends like smart tunnels showcasing how advanced monitoring systems contribute to smart city initiatives This approach ensures readers gain a holistic view of urban tunneling s role in shaping sustainable and resilient urban centers **The Palgrave Handbook of Global Fantasy** Elana Gomel, Danielle Gurevitch, 2023-06-07 This handbook is the first of its kind comprehensive overview of fantasy outside the Anglo American hegemony While most academic studies of fantasy follow the well trodden path of focusing on Tolkien Rowling and others our collection spotlights rich and unique fantasy literatures in India Australia Italy Greece Poland Russia China and many other areas of Europe Asia and the global South The first part focuses on the theoretical aspects of fantasy broadening and modifying existing definitions to accommodate the global reach of the genre The second part contains essays illuminating specific cultures countries and

religious or ethnic traditions From Aboriginal myths to self representation of Tibet from the appropriation of the Polish Witcher by the American pop culture to modern Greek fantasy that does not rely on stories of Olympian deities and from Israeli vampires to Talmudic sages this collection is an indispensable reading for anyone interested in fantasy fiction and global literature

Moonlight Mist: An Urban Fantasy Stella Fitzsimons, 2021-12-28 Not every plan is a good one Luna finds herself living in the San Diego Keep betrothed to the higher Alpha Cyrus a man she holds in low esteem in any of his forms She has no choice It was the only way to give Winter a chance to survive locked away in a dark place by the Persian King of Kings Hard to believe it could get worse until a troll twice the size of Kong lands in San Diego s financial district Fantasy world meet human world epicfantasyfail And then the whole faulty portal wards letting banished monstrosities back into the five realms thing starts to trend and that means endless work for Luna Kirsi and a certain brother from another mother Yeah a total disaster And there s still the shotgun wedding that total xxxxx Chazona the whole lizard people thing bear bats killer trees and a wintry night in the forest of nightmares Luna could really use a couple new powers like yesterday and Winter where is he urban fantasy witch immortals shapeshifters werewolf coming of age paranormal fantasy series witches paranormal elements fantasy adventure contemporary fantasy fantasy romance new adult fantasy strong heroine supernatural mystery supernatural suspense

Global Trends in Media Education Tony

Lavender, Birgitte Tufte, Dafna Lemish, 2003 Over the last decades Media Education has gradually obtained an educational status in many countries throughout the world although few countries have actually incorporated this subject in their formal school curricula Where Media Education is taught today it is principally carried out using a relaxed pluralistic and a cross or multidisciplinary approach This book sets out to explore this new approach to the subject via chapters that are representative of ongoing work by leading Media Education researchers in nine different countries and from all five continents Media Education is continually evolving and the individual chapters indicate that the passion for the subject is global while the actual translations of practices and policies are very much local The book expands the debate about Media Education beyond the traditions and interests of one part of the world to encompass the needs of the rest

The Urban Caribbean in an Era of Global Change Robert B. Potter, 2000

Based on the author's first hand field research this book addresses the twin processes of urbanization and globalization as they affect the contemporary Caribbean region One of the key aims of the book is to focus attention on the fact that contrary to popular perceptions the Caribbean is highly urbanized Indeed statistics show that the region is more highly urbanized than the world taken as a whole In addition the fact that the Caribbean region has always been affected by processes of globalization in respect of its economy polity and society is central to the text The chapters cover pressing topics such as urban change and the evolution of mini metropolitan regions the importance of the mercantile and plantopolis frameworks tourism post modernity and the urban nexus economic change and the dual processes of global convergence and divergence and the nature of the relationships existing between the state the informal sector housing and environmental conditions In reality it is shown that the development of tourism and enclave manufacturing is leading to new forms of urban concentration and not spatial dispersal

American Urban Politics in a Global Age Paul

Kantor, Dennis R. Judd, 2008 In this thoroughly revised reader two leading scholars bring together a collection of readings that highlight the most important trends in urban scholarship today The engaging selections incorporated into American

Urban Politics in the Global Era are arranged and presented within a clear thematic structure and with commentaries by the editors In addition to the political economy perspective emphasized in previous editions of the reader this new edition highlights the impact of globalization on urban politics and policy today The historical and contemporary readings reveal how the interaction of local national and international forces is reshaping the political landscape of urban America *The Paranormal* Kenneth Partridge,2009 Surveys various supernatural phenomena from ghosts and extra sensory perception ESP to UFOs and cryptozoology examining whether they have any scientific validity and why people find them so fascinating Chapter headings include Why We Believe America s Haunted Army Is There Anybody Out There and The Myth Hunters *International Seminar on Urban Culture Arte-Polis* ,2006 **International Perspectives in Urban Studies** ,1997 **The Urban Challenge** Larry L. Rose,C. Kirk Hadaway,1982 *Forum for the Discussion of New Trends in Education* ,1977 **Traditional Dwellings and Settlements Review** ,2007 **Cognitive and Social Development Through Digital Media Construction in an Urban After-school Community** Linda Charmaraman,2006 *Managing Urban Tourism* Stephen Page,Colin Michael Hall,2003 An holistic analysis of tourism as an urban phenomenon examining the challenge of developing harnessing and managing urban tourism The text develops concepts from outside tourism providing a basis for students to undertake research outside traditional confines *Urban Land Europe* ,2001 **Urban Communication** Timothy A. Gibson,Mark Lowes,2007 City leaders now confront a global competition for economic investment and urban elites are casting about for strategies that promise to secure a share of this future of global economic growth However many of these strategies are largely symbolic in nature City leaders for example compete for the Olympics so they can broadcast spectacular urban vistas to global television audiences Officials pour public funds into tourist amenities to cultivate an image of vitality and renewal But how are the local politics of urban redevelopment intertwined with the global politics of circulating vital urban images Urban Communication brings together scholars from communication cultural studies and urban sociology to explore the symbolic dimensions of contemporary city building drawing on case studies from around the world **Gifted and Talented International** ,1994
