

HEALING TRAUMA

www.lisaaromano.com

When you experience abuse you are forced to separate from your inner world. When the inner world is too scary, the mind will find ways to deny, avoid and compartmentalize traumatic experiences.

As we heal, we learn to:

Look within.
Search for our light.
Listen for our light.
Hear our light.
Feel our light.
Embrace our light.
Return to our light.
Anchor to our light.
Merge with our light.
Love our light.
Walk with our light.

We learn to accept the darkness within is there but it is not because we are ill or defective.

Trauma is what happened to us.
Darkness, pain and sadness are the effects.

We are not the cause.
Compassion for what happened to us helps us heal what the mind has tried to protect us from.

online therapist who has helped thousands do the same Cheating is a topic therapist Lauren LaRusso knows all too well as both a professional who helps clients grappling with the realization of a partner's affair AND as a wife whose own marriage ended due to infidelity Desperate for answers LaRusso set to work learning every last thing she could about rebuilding her life and helping others do the same Shocked by cheating's prevalence she wondered if millions of people are having affairs why aren't we openly speaking about it Why is the topic still so taboo And most importantly why isn't anyone talking honestly about how the partners left behind can rebuild their lives and reclaim themselves in the wake of it Most books on infidelity either focus on reconciliation OR they normalize cheating as a mere warning sign in a relationship But the truth is infidelity is cited as a reason for 60 percent of all divorces And while that is a scary statistic LaRusso is here to assure you that you can still find hope and even happiness on the other side of infidelity In fact great beauty and personal transformation awaits if you know how to find it In *Beyond Infidelity* LaRusso writes the book she wishes had existed when she was suffering in silence With an interactive seven step guide taking readers from understanding what you're going through to stabilizing yourself and curating your world to breaking free and becoming whole *Beyond Infidelity* meets readers where they are in their moment of crisis With writing that is strikingly intimate compassionate and free of judgment LaRusso's work flips the script on infidelity Being cheated on she explains is not your fault Even if your marriage ends this moment can actually be an opportunity for lasting self growth and healing Really This LaRusso argues is the true gift of infidelity moving beyond betrayal and rising from the ashes of your relationship stronger than ever
