*The Emotional Intelligence Activity Book* Adele Lynn, 2001-12-26 We've all heard of IQ but what's EQ? It's Emotional Quotient aka Emotional Intelligence and experts say that EQ is a greater predictor of success at work than IQ. Companies are increasingly looking for ways to motivate and develop their employees' emotional intelligence. This book presents trainers and coaches with 50 innovative exercises to be used for either individuals or groups. The activities found in the book are grouped according to the various core competencies associated with Emotional Intelligence: Self-Awareness and Control (an awareness of one's values, emotions, skills, and drives and the ability to control one's emotional responses); Empathy (an understanding of how others perceive situations); Social Expertness (the ability to build relationships based on an assumption of human equality); Mastery of Vision (the development and communication of a personal philosophy). The book also includes suggested training combinations and coaching tips.

Lynn, 2000 A collection of reproducible activities perfect for skill building on self-awareness, emotional control, empathy, social expertness, personal influence, mastery of vision, and more. **The Emotional Intelligence Activity Kit** Adele Lynn, Janele Lynn, 2015-10-21 Elevate emotional intelligence throughout your organization and watch profitability, retention, and customer satisfaction soar. Know it all: bosses, overcompetitive colleagues, and leaders who rarely leave their offices. Common EQ problems such as these damage not just camaraderie but also results. Because of this, managers are discovering now more than ever that emotional intelligence (EI) knowing how to manage emotions, empathize, build relationships, and more is a vital contributor to a company's success. But how does one go about persuading others to improve their EI? The Emotional Intelligence Activity Kit shows the way with 50 practical exercises to promote introspection, increase empathy, improve social skills, boost influence, inspire purpose, bring everyone on board. Studies have proven that emotional intelligence drives performance. But the problem has always been how to utilize this knowledge and inspire new ways of thinking among individuals. With The Emotional Intelligence Activity Kit, trainers, coaches, and organizational development professionals can now break through and trigger lasting EQ improvements to create thriving, successful organizations.
