

Story: In the myth of Echo and Narcissus, Echo, a nymph cursed by Hera, could only repeat the words spoken by others. Narcissus, a beautiful youth, rejected Echo's love, leading her to waste away until only her voice remained. Enamored by his own reflection in a pool, he fell in love with it, eventually withering away as he gazed at his own image.

Plan: Adapt it into a modern day story with a POV of Narcissus as a child.

Plot: Narcissus is best friends with Echo, but he always talks about how great he is instead of playing with her, so she gets upset and starts crying; a teacher explains to him the importance of humility and friendship, so he says sorry and they're happy again.
