Louis Xiv And The French Monarchy:

Louis XIV and the Zenith of the French Monarchy Arthur Hassall, 1901 Louis XIV and the French Monarchy Andrew Lossky, 1999-01-01 Placing Louis XIV in the context of his times the author retired history UCLA attempts no psychological analysis of the king and includes no discussion of the social history of the period Admitting that standard political and diplomatic history is his forte Lossky instead details the domestic international and religious policies of the Sun King demonstrating that there indeed was an evolution and transformation of his political ideas over the course of his long life The early chapters of this book should prove valuable to those interested in a general understanding of the period The author's primary focus however is on the mounting tension between Rome and Versailles and on the overall failure of Louis's policies to establish Catholic uniformity in France Specialists in French history will welcome this comprehensive readable and well written political biography **Louis XIV and the Zenith of the French Monarchy** Arthur Hassall, 1967 *Visitors to Versailles* Daniëlle Kisluk-Grosheide, Bertrand Rondot, 2018-04-16 What was it like to visit one of the most magnificent courts of Europe Based on a wealth of contemporary documents and surviving works of art this lavish book explores the experiences of those who swarmed the palace and grounds of Versailles when it was the seat of the French monarchy Engaging essays describe methods of transportation the elaborate codes of dress and etiquette precious diplomatic gifts royal audiences and tours of the palace and gardens Also presented are the many types of visitors and guests who eagerly made their way to this center of power and culture including day trippers and Grand Tourists European diplomats overseas ambassadors incognito travelers and Americans Through paintings and portraits furniture costumes and uniforms arms and armor guidebooks and other works of art *Visitors to Versailles* illuminates what travelers encountered at court and what impressions gifts and souvenirs they took home with them In bringing to life their experiences this sumptuously illustrated volume reminds us why Versailles has enchanted generations of visitors from the ancien régime to the present day *Louis XIV* Arthur Hassall, 2018-02-15 Excerpt from *Louis XIV And the Zenith of the French Monarchy* As it was when Louis established a bureaucracy dependent on an absolutism he gave the French government the shape which it preserved unchanged till 1789 His administrative reforms were admirably suited to the France of his own day It was the fault of his successors that the bureaucratic system became an impassable barrier between the people and their rulers There is no doubt whatever that with the majority of his countrymen the rule of Louis XIV Was in the seventeenth century extremely popular It was admirably calculated to arouse the enthusiasm of his subjects The French more than any other European nation have always been most easily affected by the love of military glory They have of all nations ever been sensitive of their prestige and appreciative of a brilliant foreign policy About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in
