History of Caddo Parish Louisiana , Caddo Parish History Samuel J. Touchstone,1998-01-01 An Outline of Shreveport and Caddo Parish History James Fair Hardin,1935 **Louisiana History** Florence M. Jumonville,2002-08-30

From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America s 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state ILouisiana History R is an invaluable resource for scholars and researchers **North Caddo Parish** Sam Collier,2007-09 In 1835 the United States purchased close to one million acres of land from the Caddo Confederacy of Native Americans the Louisiana portion became known as Caddo Parish The Indian agency s protection of that land delayed the settlement of the parish for 25 years or more after it began in other parts of Louisiana Texas and Arkansas The Red River logjam that existed for a few hundred years backed up bayous which in return created navigable streams and lakes The uplands contained massive stands of virgin timbers and bountiful fruit berries fish and game The first land patents were sold in 1841 and by 1850 the area was known as Caddo Prairie For a majority of the next 100 years steamboat traffic homesteaders plantations subsistence farmers logging operations entrepreneurs and a building boom brought on by the railroad and oil industries uniquely melded to define local cultural history Today three towns and five villages are located in north Caddo Parish while the memories of 10 historic communities remain strong **Caddo:1000** Viola Carruth,2025-02-12

The first detailed history of Caddo Parish Louisiana and the nearby area written in chronological order Mrs Carruth has bridged the episodes in Shreveport s development and related them to state and national events in this 1970 edition History when it comes right down to the writing of it has a way of rewarding the vigilant community and penalizing the improvident The stuff from which it is made can be as enduring as a hierglyphic or as fragile as gauze Frequently events which seem trivial at the moment take on significance later but details become clouded by time s passage and slip to diminished worth while the historian is striving to grasp the precise picture A community then should be sensitive to the footfalls of time because the worn which fails to assess its happenings at reasonbale intervals finds history elusive to those cherishing it too late In 1817 Captain Shreve invented what became the typical Mississippi steamboat He added luxury to riverboat travel with

private rooms barrooms and served epicurean meals with much formality He was credited with coining the maritime term stateroom because he used the names of states rather than numbers to designate the cabins
