Minh Levins,2021-05-20 Have you ever fallen in love Have you ever just known that THIS was the right person for you your soul mate your twin flame the one you were destined to be within bliss forever Did you see them across a crowded room and approach them with the confidence that your dreams would now be fulfilled How well did it work out If you're like most people it was at least a bit of a disaster if not an enormous amount of trauma drama bewilderment anger and even despair Did you then judge yourself as a failure What if you weren't a failure but had merely bought into one of the biggest lies of this reality We're taught by television books magazines and even our family and friends that we should aspire to find the love of our life and that we won't be complete without love However when you take a good look at what love is and isn't as opposed to what we've been told it is it's easy to see how and why love doesn't fulfill our expectations As we focus on what we are thankful for fear anger and bitterness simply melt away seemingly without effort This book will teach you how to reach this positive place The book is divided into two sections Attitudes of gratitude that bring our personal lives more joy peace and love Simple behaviors we can begin to practice to change any relationship for the better right this moment     Morality and
