Love In A Nutbag:

Love in a Nutbag Lisa Ammerman, 2001-08-27 *Love in a Nutbag* presents a combination of literary and intellectual as well as sexual and romantic interest. The story is a parallel montage in the lives of two women: the modern granddaughter and the dead grandmother, suggesting how the two lives are bound together in a common quest for those epiphanies or moments of intense, often sexual fulfillment that come out of the nutbag that our otherwise humdrum and prosaic lives occasionally present to us. The story, while rooted in real life, presents a subtle line between easy read and soft core literary with a magical sprinkle of sexual realism. While the novel may well cater to the romantic inclination of the Joanna Trollope reader, it will certainly appeal to the thinking woman and man. It has energy and emotional texture as well as beautifully crafted language. The style is succinct; the language evocative, both sensuous and sensual. *Notes and Queries*, 1905 *Out of the Broom Closet* (Book 3 *Love Spells Gone Wrong* Series) Ashlyn Chase, 2016-02-29 *Love the Way You Spy* Lexi Blake, 2023-09-19 Tasha Taggart isn't a spy. That's her sister's job. Tasha's support role is all about keeping them alive, playing referee when they fight amongst themselves and soothing the toughest boss in the world. Working for the CIA isn't as glamorous as she imagined, and she's more than a little lonely. So when she meets a charming man in a bar the night before they start their latest op, she decides to give in to temptation. The night was perfect until she discovers she's just slept with the target of their new investigation. Her sisters will never let her hear the end of this. Even worse, she has to explain the situation to her overprotective father, who also happens to be their boss. Dare Nash knew exactly how his week in Sydney was going to go: attending boring conferences to represent his family's business interests and eating hotel food alone. Until he falls under the spell of a stunning and mysterious American woman. Something in Tasha's eyes raises his body temperature every time she looks at him. She's captivating, and he's committed to spending every minute he can with her on this trip, even if her two friends seem awfully intense. He doesn't trust easily, but it's not long before he can imagine spending the rest of his life with her. When Dare discovers Tash isn't who she seems, the dream turns into a nightmare. She isn't the only one who deceived him, and now he's in the crosshairs of adversaries way out of his league. He can't trust her, but it might take Tasha and her family to save his life and uncover the truth. *Sad Love* MJ Fields, 2024-04-24 The Blue Valley series is not your typical love story. It's a journey through one's past, maybe even a story resembling someone close to you. It's our story. Welcome to the college years. Love has not been easy for Tessa Ross and Lucas Links, but they have managed to overcome situations that so many others in their lives haven't. And through all of their difficulties, neither have ever denied the love they have for one another. But sometimes love isn't enough. What new joys, pains, and decisions will they make as they take their first steps into adulthood? This is love, not a fairy tale. Warning: Highly Emotional. This book contains volatile characters in real-life situations that may be triggering to some readers. **Lord Vishnu's Love Handles** Will Clarke, 2005-07-01 Lord Vishnu's Love Handles is the story of a man who is teetering on the edge of financial ruin and insanity until a couple of secret agents teach

him what it really means to lose his mind Travis Anderson has a psychic gift Or so he thinks So far he s milked his premonitions only to acquire an upper middle class lifestyle pretty wife big house and a shiny Range Rover without having to make any real effort But recent visions threaten his yuppie contentment Haunted by omens of impending cancers stillborn babies and personal train wrecks he is compelled to make a series of inaccurate and horrifying prophecies that humiliate him in front of his fellow country club members The IRS gets Travis s number too demanding an audit of his sloppy bookkeeping Drowning in mounting financial problems and apparent mental illness Travis tries booze pills even golf to stay afloat but nothing works His wife and friends are forced to stage an intervention Travis is in danger of losing his family his career and ultimately his sanity That is until he meets a Hindu holy man in rehab who claims to be the final incarnation of Lord Vishnu Suddenly the tragically shallow Travis is saddled with the responsibility of bettering mankind and saving the world

Monsters in Love Resmaa Menakem,2023-01-31 A gritty down to earth guide for real life couples Conflict is a natural part of any intimate relationship Yet most couples either avoid it or try to smooth over their differences This often results in at least one partner compromising their integrity and stunting their own growth Monsters in Love challenges the idea that conflict between partners is unhealthy or something to avoid Instead it encourages both people to stand by what they need and who they are but to do so with compassion rather than competitiveness or vengefulness This book is about the reality of committed intimate relationships which are designed to inspire both people to grow up It challenges some common misperceptions about what makes for a successful partnership It also rocks the boat of psychotherapy calling out therapists who don t bring their best to their clients Instead of comforting fantasies or false promises Monsters in Love offers you and your partner a chance to make your relationship and your lives much bigger and more emergent

Girls Gone Mild Wendy Shalit,2007-06-26 At twenty three Wendy Shalit punctured conventional wisdom with A Return to Modesty arguing that our hope for true lasting love is not a problem to be fixed but rather a wonderful instinct that forms the basis for civilization Now in Girls Gone Mild the brilliantly outspoken author investigates an emerging new movement Despite nearly naked teen models posing seductively to sell us practically everything and the proliferation of homemade sex tapes as star making vehicles a youth led rebellion is already changing course In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother s rebels In an age where pornography is mainstream teen clothing seems stripper patented and experts recommend that we learn to be emotionally detached about sex a key and callously targeted audience girls is fed up Drawing on numerous studies and interviews Shalit makes the case that today s virulent bad girl mindset most truly oppresses young women Nowadays as even the youngest teenage girls feel the pressure to become cold sex sirens put their bodies on public display and suppress their feelings in order to feel accepted and

temporarily loved many young women are realizing that friends with benefits are often anything but And as these girls speak for themselves we see that what is expected of them turns out to be very different from what is in their own hearts Shalit reveals how the media one s peers and even parents can undermine girls quests for their authentic selves details the problems of sex without intimacy and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor Girls Gone Mild rescues the good girl from the realm of mythology and old manners guides to show that today s version is the real rebel She is not people pleasing or repressed she is simply reclaiming her individuality These empowering stories are sure to be an inspiration to teenagers and parents alike

The Good Girl Revolution Wendy Shalit,2011-04-20 Across the country there s a youth led rebellion challenging the status quo In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother s rebels Drawing on numerous studies and interviews the brilliant Wendy Shalit makes the case that today s virulent bad girl mindset truly oppresses young women She reveals how the media one s peers and even parents can undermine girls quests for their authentic selves and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor The Good Girl Revolution rescues the good girl from the realm of mythology and old manners guides to show that today s version is the real rebel Society may perceive the good girl as mild but Shalit demonstrates that she is in fact the opposite The new female role models are not people pleasing or repressed they are outspoken and reclaiming their individuality These empowering stories are sure to be an inspiration to teenagers and parents alike Join the conversation at www.thegoodgirlrevolution.com Heartfelt Max
