The Love of God Oswald Chambers, 1988-10 Chambers study assumes the absolute authority of the Bible then searches it deeply to discover treasures that enhance spiritual growth Those treasures include the richness and relevance of Scripture the reality of faith at work and intimacy with God

The Love of God Jon D. Levenson, 2016 The love of God is perhaps the most essential element in Judaism but also one of the most confounding In biblical and rabbinic literature the obligation to love God appears as a formal commandment Yet most people today think of love as a feeling How can an emotion be commanded How could one ever fulfill such a requirement The Love of God places these scholarly and existential questions in a new light Jon Levenson traces the origins of the concept to the ancient institution of covenant showing how covenantal love is a matter neither of sentiment nor of dry legalism The love of God is instead a deeply personal two way relationship that finds expression in God s mysterious love for the people of Israel who in turn observe God s laws out of profound gratitude for his acts of deliverance Levenson explores how this bond has survived episodes in which God s love appears to be painfully absent as in the brutal persecutions of Talmudic times and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers Martin Buber and Franz Rosenzweig to recover this vital but endangered aspect of their tradition A breathtaking work of scholarship and spirituality alike that is certain to provoke debate The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

Uncontrolling Love L Michaels, Gloria Coffin, Craig Drurey, Chris Baker, Donna Fiser Ward, Graden Kirksey, 2017-08-07 What if God is not in control And what if instead God always expresses uncontrolling love Eighty leading thinkers explore the implications of a new way to think about God the world and our everyday lives Their conclusions are radical whether their writing is in story form or more academic Essayists take ideas in Thomas Jay Oord s award winning book The Uncontrolling Love of God An Open and Relational Account of Providence IVP Academic Each contributor explores how we might think and live in light of uncontrolling love

Embracing the Love of God James Bryan Smith, 2010-09-14 Unfortunately in today s

world many people fail to experience the freedom and healing power of God's grace. Even Christians too often experience judgement rather than the love that is the vital essence of Christian life. A visionary guide in the spirit of Celebration of Discipline, Embracing the Love of God calls Christians back to the basics to understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. Here James Bryan Smith launches readers on a revitalizing spiritual journey. He distills the basic principles of Christian love and provides a new model for relationship with God self and others that is based not on fear and judgement but rather on acceptance and care. Smith's moving insights illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day. For both new Christians and those desiring renewal, Embracing the Love of God offers hope, peace and guidance for spiritual growth.

Do I Love God? Rod Culbertson, 2017-08-31. Do I Love God? The Question That Must Be Answered is written for the purpose of helping believers in Christ as well as those curious about God evaluate their relationship with God. The most important priority and assurance in life is knowing God. Because God is a trinity of persons: Father, Son, and Holy Spirit, who have loved one another in full and perfect relationship from eternity and is thus relational, we who are made in his image can actually know him personally and walk in loving relationship with him. God is not impersonal; he is love. Loving God is why we are created. Using the three domains of the heart: know, feel, do, the reader is encouraged to take a personal look into what he believes about Christ, how he loves others, and how he seeks purity of life. Assurance of a relationship with God is gained through proper doctrinal belief, passionate spirituality, and godly obedience. These three tests of assurance are evidence that one loves God. God is a God of grace. Do I Love God will help the reader explore the depth of God's grace and his love.

On the Love of God Saint Bernard of Clairvaux, Aeterna Press. You wish me to explain for what reason and in what measure we should love God. I should say that God Himself is the motive of our love to Him and that the measure of due love is to be without measure. Is this clear enough? Perhaps it may be for a person of intelligence, but I desire to answer for both the learned and unlearned, and though I may have said enough for the former, I must remember others also. For them, I will unfold my meaning and perhaps add somewhat to it. Aeterna Press.

The Love of God Serene Clinton, 2022-12-23. What does it mean to love God and understand him? It simply means seeking a close relationship with God and expressing love and devotion to him. This can take many forms, such as through prayer, worship, Bible study, and acts of service. Loving God can also involve seeking to understand and follow his will and striving to live in accordance with his teachings and principles. Ultimately, loving God is about seeking to draw closer to him and align one's heart and life with his will and purpose. Explore the depths of God's love in this deeply scriptural and spiritually practical book. Discover a deeper intimacy with your heavenly Father as you better understand His love for you. Grow in your knowledge of His character as you see the many ways He reveals His heart for the world and for you. Refresh your soul with the knowledge that the God of the universe loves you. Learn about Jesus's life, ministry. Learn about the mystery of faith and scriptural references to back it up. This book will affirm

God's love for you and challenge you to experience a stronger relationship with Him **The Love of God** Peter Du Moulin, C. Matthew McMahon, 2015-07-23 In this exceptionally powerful work Du Moulin covers the immense topic of the love of God. This is not an easy task. Because of the natural man's depravity it is very easy to biblically understand why Esau I hate but very difficult for the thoughtful Christian to understand Jacob I have loved. Once a sinner is brought into the fold of Christ's love there are certain marks that demonstrate they are true Christians and are not only loved of God but have a grace-given capacity to love God back. Du Moulin covers what true love to God is, what hypocritical or false love to God is, five degrees of love to God, the marks and effects of the love of God, and five special means by which the Spirit of God will enflame us to love God more, such as the choice of our friends, the hatred of the world, our fervent prayer life, and the hearing and reading of the word of God. This classic Reformed work is a study that will not leave the Christian unchanged. It is an insightful treatment of the manner of our love to Christ. His sections on modesty in women as well as the nature of addictive sin is worth the cost of the volume alone. This work is not a scan or facsimile; it has been carefully transcribed by hand, being made easy to read in modern English and has an active table of contents for electronic versions. If you Love the Lord Dag Heward-Mills, 2022-04-20 Do you love the Lord? That is an important question. Our Lord Jesus Christ asked Peter, Peter, do you love me? Why is your love for God something that we need to discuss? Jesus says the greatest commandment is that you should love the Lord your God with all your heart, with all your soul, and with all your mind. Sometimes there are circumstances thrown together and presented to you by the Lord that are simply tests, tests to prove your love for the Lord. If you love the Lord, prove it by passing the tests of love. Another amazing book by renowned author Dag Heward-Mills which will set you thinking and asking yourself the all-important question: Do I really love the Lord? **God's Incredible Love for You** Jack Hartman, 2016-07-14 Some people believe that God is a stern old man who is looking over their shoulder to keep track of their sins so that He can punish them. Nothing could be further from the truth. God loves every person in the world with incredible unconditional love. God is the loving Father of every person who has received Jesus Christ as his or her Savior. He yearns to pour out His love, compassion, grace, mercy, and forgiveness in their lives. Many Christians have a surface knowledge of what the Bible says about God's love. They know John 3:16 and possibly a few other verses of Scripture pertaining to the love of God. If you will carefully study and meditate on the scriptural contents of this book, we believe that you will come to the conclusion that learning how to receive the love of God and to live in the love of God is one of the most important topics in the entire Bible. Jesus Christ was conscious of His Father's love throughout His earthly ministry. Everything that He did was based upon His continual focus on His Father's love for Him. Follow the example of Jesus Christ in this area. We have spent hundreds of hours studying the Bible to learn everything we could about God's incredible love for you. We are excited about this opportunity to share these magnificent scriptural truths with you. These great truths about God's love for you are so life-changing that we believe your life will be transformed if you carefully study and meditate on the Scripture references in this

book pertaining to God's great love for you This book is an attempt to explain the unexplainable Our human vocabulary does not contain words that can even remotely explain the magnitude of God's glorious love for you We have prayed and asked God to anoint us and guide us as we have written this book In addition to sharing scriptural truths about God's love for you we also will share Scripture about God's compassion His grace His mercy and His forgiveness Every person in heaven is surrounded by God's love You do not have to wait until you are in heaven to receive God's love for you God's love is fully available to each of His children throughout our lives on earth This book is written in simple and easy to understand language We will do much more than just explain what the Bible teaches about the love of God You will learn exactly how to receive God's love in your everyday life Your Father wants to pour out His love on you You decide how much of God's love you will receive in your life If you learn and faithfully obey the scriptural instructions in this book you will experience a constantly increasing awareness of your Father's love for you

What Does It Mean to Love God? Roberts

Maurice, 2014-04-21 How do you love a person you cannot see What do you give to someone who has it all Why is it so important to love the Creator of the galaxies What does it mean to love God Jesus taught us that the greatest commandment given to mankind is to love the Lord with all our mind heart and strength and yet what it means to love God can be a profound mystery Maurice Roberts explains the biblical meaning of love for God and shows how such love moves us to do many things from thirsting for God to praying for our neighbor's salvation He shows that love for God is like a sweet fire that must lift all our hearts all our souls all our minds and all our strength in a holy flame toward God

Life Is A Journey Of Love Diane Mary Markey, 2023-01-04 This is the third book I have created about my love for God the Father and His Son

Jesus our Lord and Saviour This book contains sixty short stories that I have sectioned into Stories on God the Father Stories on Jesus Christ Stories on God the Holy Spirit Stories on God Reflected through Nature My stories are all written from the heart and have many images which make them all so much more interesting I feel my stories bring God and Jesus more real for people Jesus loves us all and His love shines through my writings Enjoy my book and share it around Diane

I Hate God, I Love God: Witches in the Church

Theresa L. Smith, 2013-10-30 In the spiritual realm hate is one of the most powerful forces because it is the opposite of love the spiritual world's most powerful force In I Hate God I Love God author Theresa L. Smith exposes the original hater and his plans to destroy God's people Using examples from her personal life along with scriptural references Smith shows Christians how to turn hatred into love lies into truth negative into positive and curse into blessing I Hate God I Love God explores a host of negative emotions and actions such as jealousy unforgiveness and spiritual bankruptcy and discusses how these can be changed for the better This guide facilitates soul searching and challenges Christians to think of what and who the real warlocks and witches look like and how they operate I Hate God I Love God seeks to encourage and inspire those who feel hopeless and helpless to know that God can and will turn it around

Renewal Theology: God, the world & redemption John Rodman

Williams,1988 **The Catechism Explained** Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface

The Love of God Aelred Graham,2024-05-15 From the Author s Introduction It is with some misgiving that the title The Love of God has been given to this book The handling of such a theme might justly be regarded as the peculiar province of the masters of the spiritual life One advantage however attaches to what we may call the analytical method it enables us to see the subject dealt with in its general context objectively we have not to surrender our minds entirely to the viewpoint of the writer before we can acquiesce in what he has to say Contemplative souls treating of divine charity persuade by their sincerity and often charm by their eloquence but the warmth of their love sometimes leads them to take for granted what the rest of us would wish to have discussed If the religion of Christ be true then the love of God to which it invites us is still the most important thing in life At a time when men s minds are filled with foreboding at the prospect of the future and that peace which is the tranquillity of order seems almost an idle dream there is some comfort to be found in turning our thoughts to the two abiding realities God and our own souls The kingdoms of the world may pass away but the truths by which the mind lives endure To view calamity in the light of supernatural belief is not to take an unworthy refuge from the harsh realities of life it is only to penetrate more deeply their meaning That it is more important to love God than to know Him is one of the convictions which inspire these pages Yet love presupposes knowledge Not blindly must the Beloved be approached but with enlightened understanding Short of the experimental knowledge of the mystics on which it would be presumptuous folly to rely perhaps the means best calculated to ensure fulfilment of the greatest of the commandments lie in our trying to appreciate however imperfectly what God is to discern thereby something of His innate loveliness and we may add what man is and how great his need for God The command to love God above all else is given to every Christian it is not the exclusive concern of those who dedicate themselves to the priesthood or take vows of religion Nothing is more encouraging and how frequent it is than to discover a highly intelligent interest in the questions which underlie our relations with God among those who feel no incompatibility between life in the modern world and unflinching fidelity to the practical demands of religion It is to the laity then especially to the young and thoughtful of whom we know many as much as to the priest and religious that these reflections are addressed The glass so to say through which revelation has been viewed is that provided by the immortal Summa Theologica A perfect harmony between the demands of reason and those of the most

exacting religious feeling such is the secret of St Thomas **On the Love of God** St. Bernard of Clairvaux, The first and greatest commandment is this You shall love the Lord your God with all your heart with all your soul with all your strength and with all your mind Medieval monk and church leader St Bernard of Clairvaux explores four stages of love by which the follower of Christ moves from selfishness deeper and deeper into a life of all consuming love for Almighty God His deeply insightful words penned centuries ago ring just as inspiring and true today as they did the day they were written

Love Of God The Introduction

In today's digital age, the availability of Love Of God The books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love Of God The books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love Of God The books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love Of God The versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Love Of God The books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love Of God The books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love Of God The books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love Of God The books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love Of God The books and manuals for download and embark on your journey of knowledge?
