Conversations with Ellen Douglas Ellen Douglas, 2000 So when I went down to ask my aunts if it would be all right to publish *A Family s Affairs* they said it was okay so long as they didn t have to read it and if I would use a pen name This collection of interviews from three decades features one of the South s most prominent contemporary writers one of America s most dazzling practitioners of postmodern fiction From the early sixties when she published the award winning *A Family s Affairs* to the late nineties and the publication of *Truth Four Stories I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it s just funnier Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over

contemporary issues Arranged chronologically the interviews testify to the growth of Douglas's narrative sensibility and to the profound use of allusions in her work As she discusses *A Family's Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales Can't Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas's lasting body of powerful work It also provides the tools for the in depth studies of her art which are sure to follow Panthea Reid is a professor of English at Louisiana State University *What Do I Read Next?* 00 V2 Gale Group,2000-11 **The New Yorker** ,1996 **Literary Austin** Don Graham,2007 Don Graham brings together the history color and character of Texas's capital city since 1839 when it was selected on the advice of Mirabeau B Lamar as the site for a new capital of the then Republic of Texas Essays fiction and poetry reveal the variety of literary responses to Austin through the decades and are organized in a roughly chronological fashion to reveal the themes places and personalities that have defined the life of the city Austin was always about three things natural beauty government and education and thus many of the pieces in this volume dwell upon one and sometimes all of these themes Besides O Henry the other most important figures in the city's history were J Frank Dobie Roy Bedichek and Walter P Webb folklorist naturalist historian During their heyday from the 1930s through the early 1960s they were the face of literary culture in the city They remain a source of interest pride and sometimes controversy Austin is a well known haven of liberal political activism represented by such well known figures as Lyndon B Johnson Ralph Yarborough Ann and David Richards Liz Carpenter Willie Morris John Henry Faulk and Molly Ivins The city is also a haven for literary writers many of whom appear in these pages Carolyn Osborn Rolando Hinojosa Smith Dagoberto Gilb Stephen Harrigan and Lawrence Wright to name a few Among the poets Thomas Whitbread Dave Oliphant David Wevill and Christopher Middleton have long been on the scene Certain sites recur the University Tower Barton Springs various watering holes of another kind so that for anybody who has ever spent time in Austin will experience twinges of nostalgia for vanished icons closed down venues long gone sites of pleasure brought to life once again in these pages
