Hugg, 2022-01-12

The family is the most precious gift granted to mankind. Verbal expression is key to the manifestation of familial enjoyment and contentment. When we genuinely listen to our loved ones heartfelt convictions and convey our innermost concerns to them, we accurately and powerfully grasp the soul's essence of each family member. This is the beginning of love, the foundation of the family. In an inspirational guide shared to restore the marvelous treasure of the family unit, Bruce Hugg relies on his faith and personal experiences to offer a powerful message about the value of heartfelt communication. Hugg encourages family members to explore and discuss his four chosen topics in order to obtain true unity and peace within the household. Through his guidance, others will learn how to answer the questions: What am I and Who am I? why we must earnestly aspire to live honestly and in the reality of love, why we must vigorously strive to understand others spiritually and how we can avoid temptations of the flesh. *Families Please Talk Today* offers step by step guidance that encourages families to conduct candid faith driven discussions to help reinforce the family foundation with love, trust and righteousness.
