Love Consciousness:

Love Consciousness Brian Toliver, 2014-05-05 There is a consciousness of the soul that God desires the believer to lay hold This consciousness is the soul of the God We are to think as God thinks What moves God should move us We are to express as God expresses His thoughts and feelings This is the life of God gave to the believer This books inspiration came from my experiences with God and the message that He gave to me God birthed in me this message in the streets of different cities God has given to me Love and understanding That Love and understanding has changed the lives of many people Many of which did not believe in God Receive the words written in this book and your life will change too This is what I believe Once you see God as he is His Love will affect you in some way The message reveals the intimacy of God and the content in Gods soul God s soul is His character and nature His substance His Life God s soul is what God is Love The soul of man God created in the image of His soul Therefore man s soul God created in the image of LOVE When the believer has this consciousness he is full with all the fullness of God Love Consciousness Bob Burnham, Dina Blas, 2014-04-25 Did you know that focusing on one specific topic can produce immediate results in your life Did you know that topic is LOVE Inside this meditation book you will discover how to attract Wealth and abundance Good health Loving relationships You will also learn how to Live in happiness and bliss Make better and faster decisions and choices Achieve higher vibrational energy and consciousness This meditation book will help you focus on what matters most to you It will also allow you to positively shift your energy and manifest everything your soul desires in this lifetime Remember the truths of our lives have already created exactly what we need It is up to us to remove the blinders and see ourselves with honesty and humility We were born from love and therefore we are love It is our birthright and it will allow us to be love Start manifesting your desires within 24 hours of having this book in your possession Its simplicity is its beauty Join this simple yet powerful movement into Personal and Global Interconnectedness and raise yourself up to a higher vibrational energy of Love Consciousness **Twelve Doorways of Light: a Portal to Your God-Self** Sarah Jeane, 2013-07-17 Twelve Doorways of Light conveys Divine messages awakening our Heart to embrace Love Unity Consciousness from Awareness and Peace Born from a personal spiritual journey these messages guide you through a portal of light the Stargate of your heart to an experience of your God Self inviting you to embrace with joy the sacredness in all of life From that place your true purpose is revealed and divine creativity flows boundlessly This book is for you if you are looking to develop your creative gifts in joy and sacredness listening to the voice of love in your heart inviting the love of God to lead your path to be of service This creative work is in furtherance of a journey in unity consciousness as a contribution to peace and harmony The Sound of Bells Norah Moore, 2013 This book brings together the teachings of Meher Baba and the teachings of Carl Gustav Jung for the first time Many people would wish to bring together their inner experience of spirituality and psychological development Meher Baba did not come to bring a new religion but a philosophy that brought all religions together In this first book The Sound of Bells
