## Love Me Not A Vampire Tale:

**Love Me Not** Lisa R. Smith, 2004-05 He knew in his heart that he shouldn't kill her he didn't want to kill her but as his body began to tremble the primal urge for blood defeated his conscience and fangs distended he bent to her throat once more Benjamin NO The deep bloodcurdling voice roared He felt the mighty hand on the back of his neck and his feet left the floor It could only be his Creator He knew before his feet again touched the floor what he would see when he turned around They stood facing one another Ben fighting the thirst with all his power as he stared into Colin's dark smoldering eyes It's over now In the ancient blood seeker society the females of their species are rare and coveted by all centenarian males They would do anything to find a mate even steal her from another In the absence of females they would also steal the neophyte of another centenarian just for the companionship they seek The powerful can be brought to their knees when emotions are allowed to blossom and Colin is no different His love for his young neophyte Ben and his newfound mate Joanna may be his doom and perhaps his salvation as well Love Me, Love Me Not Katherine Debona, 2018-07-01 Today isn't the first time I've thought about killing my best friend but it is the first time I've done something about it Völvur: A Völvur Series Story Kaitlin Trinkaus-Twaddell, 2021-05-28 Völvur A Völvur Series Story By Kaitlin Trinkaus Twaddell Völvur is about our main character's journey into the world of the supernatural though she is not alone Völvur the first witches were the first supernatural creatures to walk the earth Through their magic and sacrifice more Völvur like creatures emerged creating a whole new race of humans some thought a better more evolved human race The supernatural world eventually had to hide however as a war was waged against them In a story which spans more than one thousand years the bravery romances and struggles of past and present Völvur are revealed Some loyal even in the afterlife vampires werewolves shifters and demonic bounty hunters all must prove the lengths to which they will go to protect their pack Queer as Folk Tales James Penha, 2025-10-03 To paraphrase Toni Morrison If there's a folk tale you want to read but it hasn't been written yet you must write it In Queer as Folk Tales James Penha has done exactly that he has gathered ancient myths and legends and reimagined them with queer lovers at their heart the stories he like so many LGBTQ2 readers has longed for In these tales A gay boy steps into a photograph to find happiness A dying man can rest only after seeking forgiveness from the trans celebrity he once denied A woman surrenders to passion in the arms of a ghostly lesbian wraith Two gay fishermen fall afoul of a dragon A Chinese student searches for the legendary god of queers And a Norse god embraces his pansexuality when he falls for a giant In these tales we ask Can queer desire bloom with a ghost Which sleeping hunk will the prince decide needs his kiss Can a poet save the beautiful young ginger trapped in a fox's body Who are the queer heroes still remembered after thousands of years Three Vampire Tales Anne Williams, 2003 Three classic works of vampire literature come together for the first time in one volume Complementing the complete texts are background essays as well as additional selections by the three authors and others Because the vampire novel has proven so influential in film an extensive filmography is included
