Awakening Marcus Barphosphorus Mikhael, 2013-09-30 Author Mikhael Invites readers on a journey of the soul and mind New book is a collection of the author's ruminations on some of life's greatest questions Marcus Barphosphorus Mikhael marks his debut in the world of literature with an eclectic collection of his original poetry and prose Awakening is an illuminative glimpse into the depths of the human psyche and a journey into the heart of the human condition Mikhael's work is a culmination of more than 10 years of seeking answers to some of life's greatest questions He shares that it was a deeply personal and tragic event that pressed him on to embark on the said endeavor About fifteen years ago I was impassioned by the questions a troubled high school student whom I mentored asked me questions about morals of existence and existence of Heaven and Hell questions to which I neither could give answers to nor had authority in any of the answers when given And she shortly after committed suicide Her tragic death as it were pressed me to search out the answers so I began a life's journey to gain knowledge and

understanding in all subjects as much as possible In Awakening Mikhael examines universal subjects including love and humankind's perennial pursuit for knowledge and identity and with his unique voice he makes every piece of writing thought provoking and emotionally accessible Immersive and compelling Awakening is at once a chronicle of one man's quest for understanding life and the world around him and a testament to the power of literature to comfort the heart nourish the soul and transform the mind

Religion, Belief and Unbelief Antoon Vergote,2024-03-11 This book focuses attention on the central elements of human religious existence Vergote's primary aim and viewpoint are clear to examine empirically and to interpret dynamically the psychological factors at work in the field of religion Vergote consistently adheres to the position that psychology is neither philosophy nor theology and that its task is not to explain religion In this work he situates religion as a cultural fact and studies how persons orient themselves to it positively and or negatively Rather than emphasise and juxtapose belief and unbelief as alternative positions he sees them as threads of experiences interwoven throughout the human existence of persons and institutions In this context he studies motivations and their ambivalences religious experiences and their ambiguities conflicts between religious belief and unbelief and the various expressions and practices of religion

James Having grown up being steeped in this world's culture which to a great extent revolves around this world's holidays I know full well the great influence that celebrations involving music art and poetry can have on young minds It is my hope that these poems and lyrics based on God's ordained Holy Days and the inspired words of God can help develop the kind of culture among God's people that will influence the children of God's church in the right way Some of these poems have already been put to music and hopefully others will lend themselves to this venue as well When referring to child rearing a wise man once stated that if you take something away from a child you should give them something else to take its place

While he was referring to a child who wants to play with something he should not the same principle applies when we take away this world's holidays that mean so much to children especially those children coming into God's church from the world

We need many more songs about the true Holy Days the true church and the good news of tomorrow's world that our children can relate to and internalize We need to develop a whole righteous culture based on true knowledge a culture that celebrates true values and virtues with uplifting songs jubilant dance wonderful art and positive literature with memorable poetry to give to our children in place of the traditions and culture this present evil world offers Some will argue that all these sacred Festivals and Holy Days were abolished with Christ on the cross but careful examination of all the scriptures reveal otherwise Luke records that after Christ died the women prepared spices and ointments to anoint the body then rested the Sabbath day according to the commandment The gospel writers all agree that Christ gathered with His disciples to

celebrate the Passover on the very evening before His crucifixion The book of Acts shows the faithful believers and followers of Christ gathering together in one accord more than 50 days after the crucifixion for the Feast of Pentecost called the Feast of Firstfruits in the Old Testament Concerning the Days of Unleavened Bread Paul told believers in Corinth to keep the Feast Luke records that Paul referring either to a spring or fall Festival stated he must by all means keep the feast that comes to Jerusalem Luke mentions other Holy Days and Festivals in the book of Acts Jude the brother of Christ lamented that certain evil doers had crept into the church and were spots in your feasts of charity undoubtedly referring to those Feasts ordained of God One cannot clearly see the incredible step by step plan God has for all of mankind without recognizing the outline for that plan as pictured to us by these sacred Holy Days played out year by year in the very order by which God is carrying out His amazing plan of salvation The poems in this collection have been written over a period of about 20 years Several small booklets have been printed and handed out in a limited way to a number of members Some have been sent to the elderly or infirm who were unable to attend the fall Feast of Tabernacles Several requests have come from the brethren since wanting copies of these earlier booklets which are currently out of print More poems have been written and added to my collection since these were published including a number of poems and lyrics for younger children I would have desired for all these poems to be made available free of charge to all of God's people but being a man of limited resources I knew of no way to do so While it has never been my desire to profit from the brethren with these poems the brethren could use second tithe funds during God's annual Feast of Tabernacles to purchase this collection and defray printing costs Perhaps in the future they can be used as fund raisers Pennsylvania School Journal ,1915 **Dramatic Works of Victor Hugo** Victor Hugo,1887
