Love's Knowledge Martha C. Nussbaum, 1990 This volume brings together Nussbaum s published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as

the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements

Reclaiming Victory Jason R. Velotta, 2012-05 Today many believe the gospel is nothing more than the basics of Christianity the first of many steps toward a victorious life of joy The gospel of Christ is believed accepted and then laid aside as the believer searches for the abundant life Do you remember the joy you felt when Jesus first saved you from your sin Before you knew it ministry programs self help principles and moral mandates drew you away from the very gospel that first captivated you Since then you have struggled to recapture that victory for living Far too many believers experience this loss of vitality in their spiritual lives In fact this decline is so common that many say a declining passion is to be expected as a Christian matures Even worse because of our inept view of the gospel many non believers disregard the Bible's evidences of salvation joining the millions of unfulfilled believers in a fruitless search for peace In *Reclaiming Victory Living The Gospel* author Jason R Velotta dispels the idea that salvation is just the doorway on the road toward victorious living With an informative yet captivating style *Reclaiming Victory* brings God's Word to the forefront showing that the gospel itself is the victorious Christian life Believers will find that the life of fulfillment is waiting at Calvary exactly where we left it Disregard the recovery mindset which has led to helplessness and apathy for the gospel is not just the door to salvation It is the source of the victorious Christian life Your Savior is waiting your fulfillment has always been in Him Victory is already yours
