STEP #2: SEE WHEN YOU CAN TRAVEL

Before you start looking for destinations or checking flight prices, take a moment and look at your calendar to see when you have time to travel.

It's always a good idea to check your calendar to see when you have time to travel. This will help you to plan your travel around your other commitments.

Remember, the best time to travel is when you have the most time to spend. So, if you have a busy schedule, it's best to travel during your slower periods.

Also, remember to check your calendar for any holidays or special events that might affect your travel plans.

Finally, remember to check your calendar for any travel restrictions or advisories that might affect your travel plans.

By taking the time to check your calendar, you can make sure that you have the time to travel when you want to.
