Loualitys Other Stories:

The Art of Dying and Other Stories Githa Hariharan, 1993 Twenty stories of contemporary Indian life by an astonishingly original writer This striking collection of stories demonstrates the remarkable range of one of India's most accomplished writers Sometimes comic yet tinged with sadness as in *The Remains of the Feast* where an old woman near the end of her life suddenly feels the urge to sample all the food she has been forbidden sometimes with a twist as in *Gajar Halwa* where Chellamma a servant girl from a small town finally understands what makes a big city work sometimes moving as in *The Reprieve* and always executed with a precision of style and magical imagery these stories never fail to surprise and delight

The Trojan Horse and Other Stories Julia Kindt, 2024-01-11 What makes us human What if anything sets us apart from all other creatures Ever since Charles Darwin's theory of evolution the answer to these questions has pointed to our own intrinsic animal nature Yet the idea that in one way or another our humanity is entangled with the non human has a much longer and more venerable history In the West it goes all the way back to classical antiquity This grippingly written and provocative book boldly reveals how the ancient world mobilised concepts of the animal and animality to conceive of the human in a variety of illuminating ways Through ten stories about marvelous mythical beings from the Trojan Horse to the Cyclops and from Androcles lion to the Minotaur Julia Kindt unlocks fresh ways of thinking about humanity that extend from antiquity to the present and that ultimately challenge our understanding of who we really are **Faithfulness in Action**
