**The Interaction Between Law and Love in the Pauline Writings** Pandelani Paul,2015-07-16

There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals God's character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the

whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God

*FALLING IN LOVE AT THE END OF THE ROAD* Ronald John Vierling,2013-03-25 A Most Unlikely Likely American Tale Appearances can be deceptive First impressions can be misleading People who might seem so different that they could never become a couple sometimes turn around and fall in love Perhaps that s part of what makes the world interesting Falling in Love at the End of the Road is that kind of story A young unmarried Haitian woman Isabel Jean fleeing with her ten year old daughter as far away from the dangers of violent abuse as she can all the way to Ely Minnesota crosses paths with a mature Caucasian widower Samuel Woolf who has lived in lonely isolation in his family s lake house for two years following his beloved wife s death Initially drawn together by her financial and his emotional needs as time passes they discover their apparent ethnic differences are superficial their psychological similarities are profound However be advised while this tale might initially appear predictable and simple it is in fact deceptively compelling and complex as compelling as the heroine and hero s evolving relationship and as complex as the surprising if terrifying climax Isabel Ebony Jean and Samuel Singer Woolf may well be the most unlikely likely couple modern readers have ever had the experience of meeting Joyce Davidsen M Ed University of Central Florida
