The Philosophy of (erotic) Love

Robert C. Solomon,Kathleen Marie Higgins,1991 Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world s best thinkers have brought and continue to bring to the study of love

The Transformation of Intimacy

Anthony Giddens,1992 The sexual revolution an evocative term but what meaning can be given to it today How does sexuality come into being and what connections does it have with the changes that have affected personal life more generally In answering these questions the author disputes many of the dominant interpretations of the role of sexuality in modern culture The author suggests that the revolutionary changes in which sexuality has become caught up are more long term than generally conceded He sees them as

intrinsic to the development of modern societies as a whole and to the broad characteristics of that development Sexuality as we know it today is a creation of modernity a terrain upon which the contradictory tendencies of modern social life play themselves out in full Emancipation and oppression opportunity and risk these have become a part of a heady mix that irresistably ties our individual lives to global outcomes and the transformation of intimacy We live today in a social order in which for the first time in history women are becoming equal to men or at least have lodged a claim to such equality as their right The author does not attempt to analyze the gender inequalities that persist in the economic or political domains but instead concentrates on a more hidden personal area in which women ordinary women in the course of their day to day lives

quite apart from any political agenda have pioneered changes of great and generalizable importance These changes essentially concern an exploration of the potentialities of the pure relationship a relationship that presumes sexual and emotional equality and is explosive in its connotations for pre existing relations of power The author analyzes the emergence of what he calls plastic sexuality sexuality freed from its intrinsic relation to reproduction in terms of the emotional

emancipation implicit in the pure relationship as well as women s claim to sexual pleasure Plastic sexuality is decentered sexuality freed from both reproduction and subservience to a fixed object It can be molded as a trait of personality and thus become bound up with the reflexivity of the self Premised on plastic sexuality the pure relationship is not exclusively heterosexual it is neutral in terms of sexual orientation The author speculates that the transformation of intimacy might be a subversive influence on modern institutions as a whole for a social world in which the dominant ideal was to achieve intrinsic

rewards from the company of others might be vastly different from that which we know at the present Love & Eroticism Mike Featherstone,1999-09-20 Exploring the contested nature of love and eroticism this collection examines the ways in which erotic bodily pleasures have become central to contemporary consumer culture The Blue Flame and the Red Flame

Nisrine Jaafar,2001 This study is an explorative journey into the realm of eroticism A primary emphasis is placed on the necessity to differentiate erotic experience from the pornographic one The claim here is that eroticism cannot unfold where the notion of an indispensable other and hence the element of love do not come into play Eroticism as this study will attempt to demonstrate is not a game to be played solo In the fire of desire eroticism or the red flame embraces recognition alterity mutuality empathy and unity all of which constitute the blue flame love Once both flames collide and dance together in celebration of sexual desire a new kind of reality unleashes In order to delve into erotic reality partners are supposed to transgresses everyday life and its binding confines How successful the endeavor turns will be depends on a couple s ability to slide in and out of both realities with subtlety and equilibrium Developing a theoretical framework based on the works of Bakhtin Paz Bataille Giddens and Gonzalez Crussi I review five Films Eyes Wide Shut Lolita Exotica The Lover and Kama Sutra A Tale of Love These films debate the issues of eroticism love taboo and obsession in different but illuminating ways expand our understanding of heterosexuality and explore the relationship between the blue flame of love and the red flame of eroticism **Love and Sexuality in Social Theory** Emilio Bevilacqua,Mariano Longo,Michael Hviid Jacobsen,2024-11-27

Love and Sexuality in Social Theory considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions **Loving from the Heart of My Vagina** Germán Jiménez

Morales,2021-06-03 Loving from the heart of my vagina is a book aimed to heal love sexuality and eroticism It consists of six stories by women that reveal the most intimate secrets about the way they have conducted their sexual life They faced the castrating ideas with which they were formed in their homes broke with the chains of toxic loves assumed the ghosts of old couple relationships overcame traumas and in the end reconciled with their femininity after a hardwork in which even they

hve to leave behind life partners who were inadequate These stories are full of poetry and a narrative as pleasant as erotic It doesn t matter if you re a man or a woman You will still resonate with these stories because in one way or another there are details in them that are also part of your own life The women in these stories understood that their battles were not outside they were not against their partners whether they were boyfriends or husbands The greatest battle that many of them fought was against their own fears not to be loved as they wanted to be loved to be left alone if they broke up with the inappropriate relationships they had to be strongly criticized for the way they lived their sexuality and satisfied their desires And did they all win those battles Well To find out you have to immerse yourself in each of those stories in which sometimes the protagonist doesn t even have a name This is intentional because clearly what these six women who confess live is also the pending confession that many women in the world have who feel castrated their sexuality her eroticism her love Loving from the heart of my vagina is a work that qualifies in the genre of self help and personal growth But don t let this mislead you From the first to the last line you will notice that it is a text with a very literary style and at the same time a healer one Enjoy it

Erotic Love in Sociology, Philosophy and Literature Finn Bowring,2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love

Love, Sex & Eroticism in Contemporary Latin American Literature Alun Kenwood,1992

The Eroticization of Distance Joseph D. Kuzma,2016-07-26 In The Eroticization of Distance Nietzsche Blanchot and the Legacy of Courtly Love Joseph D Kuzma explores the significance of courtly erotic themes in Friedrich Nietzsche s mature philosophy and in Maurice Blanchot s writings of the 1940s and early 1950s Rather than offering an account of erotic relationality that prioritizes reconciliation fulfillment or release Nietzsche attempts to formulate a nonteleological eroticism that aims at nothing but the perpetual intensification of desire Kuzma suggests that it is Blanchot who carries Nietzsche s courtly erotic tendencies to their most provocative point by highlighting potentials for

intimate relationality that might be established through a shared experience of dispossession and loss This first monograph to engage specifically with the theme of eroticism in Blanchot s writings will be of interest not only to students and scholars of Nietzsche Blanchot or French philosophy but also anyone interested in the philosophy of sexuality the history of love theories of the emotions or nineteenth and twentieth century European thought more generally **Sex, Love and Erotic S**

Israel,2012-03-05 **Love and Sexuality in Dystopian Fiction. An Analysis of "Brave New World" and "Nineteen Eighty-Four"** Lena Gräf,2016-04-26 Seminar paper from the year 2015 in the subject English Language and Literature

Studies Literature grade 2 3 language English abstract This term paper is supposed to deal with how love and sex are depicted in Brave New World and 1984 and if there are any similarities between them Furthermore we will take a brief look at differences and similarities to love and sex in our society What is the attitude towards marriage these days And what is the role of love in all of that After this we will then hopefully be able to identify what love and sex in dystopian fiction means Ever since Thomas More s Utopia love and sex have been a part of dystopian novels In Thomas More s times his depictions were ground breaking Women were not allowed to marry until they were 18 In the past this was highly unusual since most women married at the age of around 14 Furthermore divorce is forbidden which at this point mirrors the time More lived in This clearly influenced all the following writers of dystopian novels They imagine a world that is negatively silhouetted against their own world And since love is a big part of every society it is also a big part in every dystopian society When looking for the most famous dystopian novels on Google two that are immediately suggested are Brave New World by Aldous Huxley and 1984 by George Orwell Both have one thing in common their rather negative and for us rather unusual attitude towards love relationships and sex **Love and Eroticism in Indian Art** Kamal Shankar Srivastava,1998 **Unquenchable Love** Rene

Erwich,Almatine Leene,2024-08-01 More than ever before there is a need for in depth dialogue between theology and sciences with regard to gender and human sexuality This is especially true for Christian communities that are increasingly challenged by the many questions and experiences people have This book provides the material to explore the various views and bring them together from a Christian perspective based on a theological account of desire It shows how gender sexuality and faith are positively connected without losing out on deep Christian values and norms **Love and Lust** Pavan K.

The Erotic

Phenomenon Jean-Luc Marion, 2024-07-12 While humanists have pondered the subject of love to the point of obsessiveness philosophers have steadfastly ignored it One might wonder whether the discipline of philosophy even recognizes love The word philosophy means love of wisdom but the absence of love from philosophical discourse is curiously glaring So where did the love go In The Erotic Phenomenon Jean Luc Marion asks this fundamental question of philosophy while reviving inquiry into the concept of love itself Marion begins his profound and personal book with a critique of Descartes equation of the ego s ability to doubt with the certainty that one exists I think therefore I am arguing that this is worse than vain We encounter being he says when we first experience love I am loved therefore I am and this love is the reason I care whether I exist or not This philosophical base allows Marion to probe several manifestations of love and its variations including carnal excitement self hate lying and perversion fidelity the generation of children and the love of God Throughout Marion stresses that all erotic phenomena including sentimentality pornography and even boasts about one s sexual conquests stem not from the ego as popularly understood but instead from love A thoroughly enlightening and captivating philosophical investigation of a strangely neglected subject The Erotic Phenomenon is certain to initiate feverish new dialogue about the philosophical meanings of that most desirable and mysterious of all concepts love

Love And Eroticism Introduction

In todays digital age, the availability of Love And Eroticism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love And Eroticism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love And Eroticism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love And Eroticism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Love And Eroticism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love And Eroticism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love And Eroticism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love And Eroticism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love And Eroticism books and manuals for download and embark on your journey of knowledge?
