Love Letters To God:

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends The authors hail from different backgrounds in faith family and life circumstances but find common ground in their devotion to Christ Christianity and each other The letters chronicle a year in the life of this friendship marked by fervent faith and bouts of unbelief suffering and rejoicing death loss and baptism and the sanctification of a friendship The tone is at once literary and personal peppered as much with theological references as unrefined vulnerability and speaks to all who cherish their faith and their friends Love Letters to God Lynn D.

Morrissey, 2010-07-07 Women yearn to share their experiences with the Lover of their souls in a way that is honest and simple yet deeply satisfying The key to this intimate self expression is prayer journaling By pouring her heart out on paper to God a woman can enjoy God s loving presence explore her purpose and passion appreciate life s beauty and answer its perplexities experience spiritual transformation and leave a permanent record of God s faithfulness in her life Love Letters to God is a woman s invitation to take a personal pilgrimage through her own sacred writings to the very heart of God DISCOVER THE WAY TO GOD S HEART Your holding an invitation in your hands an invitation to take a personal pilgrimage through your own sacred writings to the very heart of God If you re intimidated by praying aloud or easily distracted during your devotional time pouring your heart out on paper will give you the privacy and intimacy you need Inspired by these beautifully written reflections you ll find the most fulfilling way to enjoy God s loving presence explore your purpose and passion and leave a permanent record of His love and faithfulness in your life Find freedom healing hope and security as you share your deepest longings with the lover of your soul Story Behind the Book Writing one s prayers in a journal unlike verbal or silent prayers provides an actual safe place to grow spiritually and to enjoy and enhance a personal relationship with God Verbal prayers are soon forgotten but our love letters to God become a permanent place for exploring our hearts a tangible testimony of God s love and faithfulness in our lives and a detailed document of our spiritual journeys We can literally see the progression of changes in our lives as expressed on the pages of our soul our prayer journals and we can see God s answers to our prayers recorded there Like the psalmists many people have discovered that writing is the key to intimate self expression providing a deep emotional catharsis that is often missing from their verbal or silent prayers

God* Sunni Webber,Deborah Lloyd,2013-08 My Love Letters to God presents a journal designed to let others know what a blessing it is to set some time aside to be alone with God and to write your own love letters to Him As you write your love and praises to Him in your journal the Lord will be blessed and so will you As you personalize your letters to God He becomes more real and more precious to you Authors Sunni Webber and Deborah Lloyd pray that this journal may serve as a tool along with your Bible to help you to grow closer to God Sunni Webber first began writing letters to God to help her through a particularly trying time in her life She wanted to speak with the Lord so she decided to write the Lord a love letter As she did so she experienced an unexpected jolt of joy What was happening She believed the difference was in the fact that she was praising God despite the various trials she was going through She now believes that the Lord was rewarding her for continuing to love and praise Him even though life had become so difficult This journal format allows all of the praise honor and glory go to God alone you can develop a closer relationship with Him through your own love letters I will lift up mine eyes unto the hills from whence cometh my help My help cometh from the LORD which made heaven and earth Psalm 121 1 2 **Love Letters to God** Yvonne Annette' Stroud,2021-04-12 Relationships require nurturing in order to be strong No relationship requires more nurturing than our relationship with God God doesn't need to spend time with us to get to know us After all he is the all seeing all knowing ever present God However we need to spend quality time with God to get to know him In getting to know God we are strengthened encouraged and empowered Within the pages of this book you will find a journey that creates time for you to spend with God Daily reads and tasks are perfect for everyone even the busy The love letters have been strategically ordered by God and sectioned into three parts While they are my personal words to God read them as though they were coming from you Embrace the message in each letter In addition you will be asked to honestly reflect on your life

in ways you might never have reflected Be true to yourself More importantly be true to God Finally each poem has a day set aside for you to meditate on God s Word and listen to what God is saying to you personally While reading straight through the book is tempting it is recommended you take each step one day at a time God has designed this journey to be thirty six days for a reason Just as he took his time creating the earth in all its beauty God wants this time spent with him to establish a beauty he has designed especially for you All you have to do is open your heart to God as you travel Quote from the book No one does more for us than God Even when we forget about God he doesn t forget about us **Love Letters to God** Alaina Hunt,2021-11-12 Sometimes in life we find ourselves so consumed with life s routines and problems that we forget to tap into our ultimate source of hope love healing and encouragement Love Letters to God is a 30 day journey to strengthening and building a closer relationship with God the Father Each day provides you with a prayer meditation and reflection to help you refocus your attention on God s will for your life Come along with Alaina as she walks out this journey to draw closer to God and encourages you to write your own love letters to God *Love Letters to God* Victoria Teran,2004-04-20 Introduction Dear Child of the King Did you know that you were made for joy This book is sure to capture your interest because we all encounter moments of splendor in our lives that leave us in awe I am thrilled you have chosen to open this treasure box of joys revealed Your responses to my experiences will be as diverse as each of you Some will make you cry and some will make you laugh You will discover that many will touch you in the heart for very personal reasons When that happens make a note as to why a particular one spoke to you By writing what was revealed to you you will meet the true author not just the pen I have loved words for as long as I can remember I have known the King personally since I was eleven or twelve Knowing someone personally and loving them can be two different things I have discovered This book came about when two loves collided My King heard a whisper of a dream in my heart told only to Him All these years later He has given me the dream Not as I thought it would be but as it must be to glorify Him This book is an expression of glory from one pen full of ink poured out in love to the King of Kings May it encourage and refresh you as you begin to see the great delights that await you Love in Christ Victoria Teran Psalms 150 6 Let everything that hath breath praise ye the Lord *Love Letters to God* ,2008-03-25 Love Letters is a collection of soul born poetry that is an expression of the writer s daily walk with the love of her life Jesus Christ The book renders responses to spiritual and emotional struggles and triumphs prayers and miraculous answers along with times of supposed distance from God and renewed fellowship and devotion It is relatable to anyone who is familiar with the pains associated with life and daily interactions with people who are sometimes not so kind It keeps us reminded that there is Someone always present to help us pick up the pieces and go on to love us to comfort us and encourage us to be all that we can He Jesus is the Lover to whom these songs are written both the giver and the object of utmost affection The writer would also have us to understand that in spite of what the subtitle may suggest this book A Book of Psalms is in no way to be seen as an attempt to substitute for THE book of Psalms That simply cannot be This is why

seventy five poems were written which is exactly half of the Book of Psalms one hundred fifty to suggest a desire to be at least half the poet that David was said with a smile It is written relative to the life devotion and struggles of one who walks with God in this present day and time and it is hopeful that the reader will discern this and thus be enhanced in some way by it
