Heart on a Shoestring Marilyn Grey, 2014-11-24 Not sure Take the quiz on Marilyn Grey com to find out if the Unspoken Series is right for you Books 1-5 of the Unspoken Series are also available as a discounted box set A quirky romance about two broken hearts melting into one beautiful story of self discovery and overcoming the past Dreaming of the person you want to be is wasting the person you already are Kurt Cobain The Unspoken Series is a 10 book series Books 1-5 are available now Best when read in order What Readers Are Saying Heartbreakingly beautiful story with a slightly whimsical romance Don't know how it's possible but this series just keeps getting better And I guess I shouldn't say better because I fall

in love with every single character so better wouldn't be the right word I love how the characters from the previous books make appearances in each of the newer books keeping you updated with the happenings surrounding them and weaving their stories into the current main characters This book is deep and heartwarming It is my favorite book so far in the series and also the most sincere and heartbreaking These stories are so different from most of the other romance books I read The characters always pull me in I got this book yesterday and couldn't put it down until I was done reading it Book 4 in the Unspoken Series Rebellious against a life of black and white Miranda Ryan paints the world in a technicolor fever She spends her free time on park benches analyzing people from the outside in and creating whimsical stories about their lives Unbridled and full of life her ever-changing heart is a revolving door no man can figure out And she likes it that way But when Derek Rhodes enters her life he stubbornly challenges her every move As she unsuccessfully avoids this opinionated prankster her colors fade to gray and she is forced into a choice to lose the self she knows or the self she has never been Derek Rhodes wears the same shade of brown every day and avoids eye contact with strangers until Miranda walks into his life and splashes his world with streaks of colors he swore he'd never touch Drawn to her imaginative personality he finds himself questioning his own cynical nature and flat-lined ideals only to fall in love and realize the only woman he's ever let into his heart has no plans of letting a man into hers Follow them both as they poke and prod and test each other's limits on a journey of discovery *Three Hundred Outlines of Sermons on the New Testament*, 1882 **Enola; Or, Her Fatal Mistake** Mary
