## STORY IDEAS

- It all began on a typical day, as I was walking through the store. Then, he stopped me and told me I had to listen to him closely. He said that my life depended on it.
- As I looked down at the body, I thought to myself, "It wasn't supposed to end like this."
- At first, it felt like a joke, as if someone was playing a prank on me by sending nonsense text messages over and over again. But now, I was starting to wonder if there was something more to these messages.
- I began to pick up the pace. The footsteps were getting closer, and I could tell the person — or the thing — was walking faster. I knew what they wanted, but I wasn't about to give it up.
- The trip was a dream come true. I was staying with my new husband in a castle in Scotland. There was a chill in the autumn air, and I felt like there had never been a more romantic place in the world. Unfortunately, that feeling quickly subsided at nightfall. Once the darkness settled in, the ambiance quickly shifted. It was no longer quaint and charming. In fact, it was quite terrifying to be within the castle's stone walls.

**Language, Culture and Cognition from Descartes to Lewes** Timo Kaitaro, 2022-02-28 This volume describes how the significance of language and culture in forming human cognition has been understood from the mid sixteenth century to the mid nineteenth century. It discusses thinkers who realized that the human mind and brain is in fact a cultural artefact and that language is not merely a means to communicate thoughts but also to form them in the first place. It presents a novel perspective on the history of philosophy in which the narrative is no longer centered on the question of whether knowledge results from experience or reason but whether experience and reason are in fact possible without language      The Nighttime Novelist Joseph Bates, 2010-08-27 Make Every Creative Moment Count.
